Woes of Pullman Car Baptiser Nothing to Woes of Man Who Decided on Asphalt and Bambino Blue

"Now, here's a perfectly charming cactus needle; or perhaps you'd like me to show you something in asphalt..."

Sixty-one new shades and tints have been worked out for next spring, and the dyes are busy even now in weaving the fabrics which will carry the new colors...

For instance, adobe is one of the new pinkish browns that is expected to be popular next year, and clay and loam are shades which look much like their names...

Among the blue-violet shades are "L'Esperance," "Periwinkle" and "Coral Breeze," while the grayish-greens are "Sage" and "Mint"...
