

# Penn and Swarthmore Evenly Matched for 1921 Football Feud on Franklin Field Today

## HOCKEY IN VADERS ARRIVE MONDAY

English Girls Will Play All-Philadelphia Next Thursday at Germantown C. C.

## AT ST. MARTINS TUESDAY

The English women's hockey team, the pick of Johnny Bull's best representatives, arrives in this city Monday for its matches against the Philadelphia eleven next week. The invading team is on the Haverford, which is due to dock at Washington avenue Monday.

A group of hockey enthusiasts of this city headed by Miss Agnes Townsend, captain of the 1920 All-Philadelphia eleven and Miss Constance Applebee, the physical instructor at Bryn Mawr and coach of the local eleven, will be on hand to greet the English team. The opening match will not be played until Thursday, but on Tuesday the English women will play a practice game at the Philadelphia Cricket Club, at 5 o'clock, at St. Martin's. The opening match is scheduled for the Germantown Cricket Club, when the 1920 All-Philadelphia eleven will give battle to the invaders.

**Forward Line Fast**  
The English team embraces the best players on the ice, and is ranked as one of the fastest in the world. The forward line is particularly fast. Miss Kitty Lidderdale is ranked by English critics as the finest woman hockey player in the world. She is one of the fastest runners on the team, and once she gets possession of the ball she darts for the goal, and it takes successful defense to prevent her from finding her objective.

Miss Lidderdale has that rare faculty of being about to pick up speed at the very start of her attack, and this, combined with her extraordinary speed, makes her a player of unique value.

## Star Local Players

Many prominent Philadelphia women athletes are included in the team which will face the English team on Thursday. The team will be composed of Miss Anne Townsend, Mrs. Bryson, Miss Boltrath, Miss Mary Morgan, Miss Mary McMahon, Miss Edith McKelvey, Miss Margaret Jones, Miss Mary Desserger, Mrs. Richard Nalle, Miss Caroline Valentine and Mrs. Kathleen and Miss E. Ferguson.

Next Saturday, the English team will line up against the Philadelphia eleven on Franklin field. This match will be played at the Philadelphia Cricket Club.

The team will line up for the first game on October 20, at the Germantown Cricket Club. The line-up is: goal, S. Clay (international); left full-back, Miss W. A. Bauman (territorial); right full-back, Mrs. Ward (territorial); left half-back, Miss P. Clarke (international); center half-back, Miss H. G. Arnold (international); right half-back, Miss P. ## SKEETERS SHOW FORM IN OPENER

Eastern Leaguers Stage Second-Half Rally and Score Easy Win Over Kayoula

## CAMDEN GUARDS STAR

The basketball season was ushered in last evening at St. Anthony's Hall. Twenty-third and Carpenter streets, when the Eastern League, Camden, of the Eastern League, defeated Kayoula boys held the big leaguers safe in the first period; in fact they finished one point in the lead, 15-14, at the conclusion of the first twenty minutes play.

But in the final frame the Skeeters recovered their scoring eyes and by a reverse mixture of plays in which experience and condition told they hammered the net with a shower of field goals and had little trouble winning by the score of 38 to 23.

The contest was fast from the start and was witnessed by a large crowd. Every player on both teams hit the net for one or more field goals, the Camden center and guards being the high scorers, each with a trio of tallies.

"Soup" Campbell made his reappearance with the Skeeters and in the first twenty minutes play was unable to locate the net, while Willie McCarter, who played him, hit the cords for one goal. Ten of Camden's dozen field goals came in the final frame. Dolan and Diaghan scoring the lone counters in the opening session.

Zuidie, Trautwin and Sammy Moorehead called Manager "Petey" Kilpatrick also counted twice, while Andy McMahon and McCarter scored once. The article is a good one, making much of an impression in the score line until half way in the second period, when they changed their mode of attack and sent their guards down the floor.

Big Dave Kerr registered three points on this side and Neil Diaghan twice and gave the Skeeters a commanding lead. The big leaguers are in the best of condition, as they have been working out for more than a month. Camden and Kayoula have been practicing but a few days. The field goals were scored by: Dolan, 3; Kerr, 3; Diaghan, 3; Campbell, 2; Steele, 1.

## MIDDIES CONFIDENT OF BEATING TIGERS

Folwell's Eleven Has Even Chance of Turning in Victory Over Princeton Today

## MaOPHEE TO PLAY QUARTER

Annapolis, Md., Oct. 15.—The Middles are all set up today. They figure they have an even chance of beating the 1920 championship college football team, and enthusiasm is running to the point of fever heat. Also the future admirals are taking the contents of their bankroll and placing the contents on Bob Folwell's eleven to give them a chance to beat Princeton in the classic battle that will be waged this afternoon.

The Middies do stand an even chance of turning back the famous Tigers, and the players are confident that they will accomplish the feat. The Folwell spirit has been imbued into the players, and they are ready to attempt revenge for the 14-7 defeat administered by Coach Bill Rogers' eleven last season.

Princeton will not start the game with its full strength, so the report goes. Don Laurie, the all-American quarterback of last season, and Garfield, the line-splitting back, are both out with injuries and it is said that they are not in condition to play. Nevertheless, Roger has some capable substitutes to see to the start of the game. Plee probably will be in there calling the signals and Newby is the likely one to replace Garrity.
