### LABOR BOARD WARNS UNIONS NOT TO STRIKE PENDING HEARING

CHICAGO, Oct. 21.—The United States Railroad Labor Board today, backed by all the authority of the Government, called the railroads and the five big unions here for a hearing next Wednesday. It solemnly warned the unions not to strike until the board has heard their grievances and rendered a decision. The board's action means there will be no strike October 30, unless the unions choose to defy the government.
