The code word calling off the strike

There was doubt here that the case of the International and Great Northern trainmen would be taken up formally the Railroad Labor Board because of statements made at the board's hearing on the strike this week, indicating that carriers under receivership migh he considered as outside the board's inrisdiction. The International and Great Northern is under receivership. There were indications that indi-vidual members of the board would interest themselves in the case the 800 Texas trainmen and try to obtain a settlement of the case without re-

sort to official action. Lee, of the train-men; L. E. Sheppard, of the conductors, and T. C. Cashen, of the switchmen, conferred with individual members of the board to unofficially learn the status of the striking Texans. Union Members Satisfied

The men of the 'Big Five'' union

will willingly accept the decision of their officers in realling the strike order. Lee said in a statement today. "I expect the unions to follow the counsel of the committees, so that there will be not a statement to the statement to the statement to the statement of the counsel of the coun
