### DREAMLAND ADVENTURES

Folks of the Woods By DADDY

Jack and Janet, after having their eyes and ears opened by sleep magic so they can see the many creatures of the forest and understand crea-Pupkins to visit a great city in the toods. They find the city is an ant city. Just as they learn this something strange happens to them.

#### CHAPTER IV Magic Potson

COMETHING was happening to Jack O and Janet. What it was they did not know. They had been sitting on the ant nest and had been bitten by ant watchmen, who were trying to drive them away. While they were still smarting from

the ant bites and were slapping them-selves to drive the ants away, a flying ant had suddenly appeared before them. Ping! the flying ant stung Jack on the nose. Ping! it stung Janet on the And the stings had a queer effect-

they seemed to send poison into the blood of the children. And this poison aused the children to swell up like blisters. They swelled and swelled until of a sudden they burst, and when they burst they became a. tiny as the ants

ant nest had come to look like a great city-a city filled with hurry and buse and business, Above them they saw Toddie Pupkins and Johnny Bull towering high. The dogs were barking in alarm. They were scared because their joke had gone A child born on New Year's Day will A child born on Easter morn will

Even as Jack and Janet looked up at A child born on a saint's day should Even as Jack and Janet looked up at Toddie Pupkins and Johnny Bull, the same flying ant that had stung them stung the two dogs. Toddie Pupkins and Johnny Bull swelled up like balloons, then they, too, burst and became as small as ants. The same thing happened to the two ponies, Trixie and Tonys. A child born on Palm Sunday will Born in January, laborious; born in February, a great love for money; born in March, honest and good-looking; in Topsy. They were stung, swelled up and burst, and became the size of ants. Jack and Janet couldn't understand April, sickly but a great traveler; in ess, and December, the holly, which May, handsome and amiable; in June. warm-hearted and fond of children; in t at all. Neither could the dogs nor

> But they soon learned one thing—they were prisoners. The winged ant came soming down like an airplane. He alighted on the ant nest and a dozen wingless ants ran up to do his bidding. The winged ant didn't say a word. He

just waved his feelers like a dumb man talks with his hands, and even the children could understand what he said. "These are new slaves which I have caught with my magic poison. them within and give them to the Ant Queen as a present from me."

The wingless ants gathered around Jack and Janet and the dogs and ponies and drove them into one of the gates eading within the ant city. And that ant city was a wonderful place. Had Jack and Janet not been worried by the odd fix in which they

#### A Health Center

"The health of the womanhood of any nation is an essential contributor to the welfare of that nation," says Dr. Kristine Mann, head of the Health Center which has recently opened its new quarters at 5 Livingston place, New York City. "The strength tests which we have given to some thousand which we have given to some thousand of these women have proved conclusively that the average strength of the girl in industry falls far below that of the average college girl. City girls find so little opportunity to induige in strength-building exercises. What we need in our cities is a health center on every corner and promotion of daily hikes to and from work."

MY. I like that hat!" exclaimed a friend, admiringly. "It's awfully pretty."

Now, as a matter of plain, unadorned fact, the hat was not what you could call "pretty" at all.

It was your good looking and a stall.

The hairdresser was wise.

The hairdresser was wise.
But she was prescribing for oily hair, The girl whose dry hair flies about simple black sailor.

Its becomingness to the person who the same tonic.

wore it was what really caused the remark.

Worn by its admirer, it would probably have been just a hat and nothing more.

What was good for her friend was injurious to her.

leaves her in a state of moist ecstasy,

theatre forever. YOU really cannot prescribe for some

I one else unless you are an expert on what is good for different types. And it isn't safe to adopt something that your friend recommends, be it a hat, a hair tonic, a medicine or a mim-"I've been using that hair tonic mer hotel, unless you try it out caresteadily," she tells the girl with dry, fully beforehand.

> elaborate and beautiful, and the price Have you seen the new mesh bags?

They are as pretty and as reasonably priced as any I have come across. Instead of the square tops, they rather large round tops around which the mesh is attached. One opens the tops and discovers a nice-sized mirror. The mesh is gold-finished with quite fine nice links, and the price of the bag Is \$6.95.

You remember the little lullaby I told you about which the wonderful prima donna sang as an encore? Many of on were interested and liked the song, I know. Well, there was another one she sang the same night that, in its way, is as lovely as the lullaby. It is a sort of banjo song, and has a lilt and swing that will delight you. And, incidentally, the accompaniment is very easy to play.

## Why you can buy

## HEINZ 57

## at new low prices

When war increased costs all along the line we made the "57 Varieties" for current needs only-the grocer's and yours.

Now that costs are reduced we are able to put new prices into effect at once-no accumulation of high priced stocks to be sold first.

Our patrons get the benefit immediately. Grocers everywhere are pleased to list the "57" in the economic spirit of the times.

Nearly all grocers in Philadelphia are announcing the following prices on Heinz goods:

Oven Baked Beans	SMALL 11 oz.—11c.	MEDIUM 18 oz.—15c.	LARGE
Peanut Butter	3½ oz.—13c.	6½ oz.—20c.	30 oz.—25c.
Tomato Ketchup	8 oz.—20c.	0/2 02.—200.	10 oz.—30c.
Cooked Spaghetti	10 oz.—13c.	16 oz.—18c.	14 oz.—35c.
Tomato Soup	10 oz.—13c.	16 oz.—18c.	30 oz.—32c.
Apple Butter	7 oz.—18c.	16 oz.—30c.	30 oz.—32c.
Prepared Mustard	6 oz.—13c.	10 02300.	32 oz.—50c.

of manila paper to fit the covers. Have of manila paper to fit the covers. Have ables punched at the top by your shoemaker. Pad the boards slightly with cotton. Cut pieces of cretonne one-half sich larger on each aide. Cut in the corners. Paste the extra material down to the wrong side of the boards. Cut triangles of black olicioth to fit the corners of the covers. Glue these over the corners, Have two eyelets punched into each cover by the shoemaker. The through the sheets of paper on which you have mounted the comics and the influence with a shoelace. Not only does a COMIC SCAPBOOK make an amusing sift, be it is nice to have in one booms.

l get and how long should I be able to stay out at night? Thanking for the Dear Madam-This is my first letter advice in the future to your column and I hope you can | You are a little tall for your age, but answer my question. How can I make if your frame is large and you are

nothing to make them light. I want them natural color.

Use either vaseline or a good eyelash grower for this. You can get either of these at the drug store and they make the lashes both longer and thicker. This also answers Brownie.

Do Not Bicach Your Hair

To the Editor of Woman's Page:

Dear Madam—Will you please tell me what I can bleach my hair with' It is a golden red and I wish to bleach it as quickly as possible. If you will be so kind as to publish this I will be very much pleased. Will peroxide bleach it any?

Peroxide will bleach your hair, but if used carelessly it will give it that dead look which is never pretty or natural looking. I cannot give you any advice about this except to tell you to have a hair dresser do the bleaching if you are determined to have it done. Home bleaching never looks so well and must be repeated very often in order to keep the hair the color that is deared. Either let your pretty red hair stay its own natural color or else have a professional hair dresser bleach it for you.
