

MILK DISTRIBUTORS JOIN TO END STRIKE

New York Dealers Promise 70 Per Cent Supply at Centers Today

PROFITEERS REAP HARVEST

New York, Nov. 4.—Spurred by Health Commissioner Conneland's threat to take over the entire milk-distributing industry in New York unless 50 per cent of the normal supply was furnished by tomorrow, distributors today consented to fill the places of more than 30,000 striking employees and to serve the public through district depots. More than 4000 new men already have been employed, and others, recruited from rural districts, are operating pasteurization plants. The board asserted it would have 70 per cent of the city's normal milk supply available for consumers at distribution centers today.

Service Partly Restored
The New York Milk Conference Board reported delivery of milk to houses, stopped four days ago when drivers went out on strike, had been resumed in Brooklyn, Tarrytown, N. Y., Bridgeport, Company and Plainfield, N. J. In Brooklyn fifty out of 250 regular wagons were said to be moving, while in the other communities named full service had been restored.
Loren Harton, head of the Sheffield Dairy Company, said that he thought all the wagons would be running again after election day. He said his concern was planning to distribute milk by having housewives get their supply from wagon stopping on street corners.
The employers remained adamant in their stand for open-shop conditions in the future. Dr. Conneland was quoted as saying he knows of no acute suffering due to the failure of invalids or children to obtain milk, but declared that unless distribution reached 50 per cent normal by tomorrow the situation would constitute a serious menace to the public.

Profiteering as a result of the strike brought a warning last night from the big distributing companies that they would shut off the supply of any dealer or storekeeper who attempted to extort exorbitant prices.
Reports showed that the prices exacted by profiteering grocers and storekeepers in some sections ranged from nineteen cents to forty cents a quart. Dealers able to get this milk said that the distributors had made them pay the retail price, and they had to add sufficient to make a profit.

appearance in the Bronx, Harlem and the Washington Heights section, getting as much as forty cents a quart. Many housewives seemed to be relieved to obtain milk even at this price for the sake of their babies.
Violence and intimidation by the striking drivers against distributors, small dealers and consumers developed yesterday following the distributors' declaration for the open shop.
Milk by thousands of gallons was taken from trucks and stores and dumped into the streets. Drivers and dealers were stoned and beaten in two cases, possibly with fatal results. Loaded trucks were stolen after the drivers had been overpowered. Strikers visited small stores selling milk and attempted to cow the dealers by threats and, in some cases, damage to property.

The strikers made no discrimination with respect to trucks destined for hospitals. A truck of the Sheffield Farms Company bearing a sign eighteen inches long: "This Milk is for the Babies," was bombarded with bricks and stones as it passed strikers yesterday afternoon.

Cleveland, O., Nov. 4.—(By A. P.)—Both sides having agreed to arbitrate the wage reduction, settlement of the strike of the 800 milk wagon drivers of the Telling-Belle Vernon Company.

which has resulted in numerous outbreaks of diarrhoea and deprived thousands of Clevelanders of milk, hinged today on the question of open or closed shop.
Following a conference with Mayor Fitzgerald and union representatives the company declared yesterday it would be willing to arbitrate the question of wages, but insisted that working conditions were not to be submitted to arbitration.
Last night the strikers voted to arbitrate the difference between a weekly reduction of \$3 proposed by the union and one of \$6.50 offered by the company and declared they would return to work immediately under the old working conditions, which means a closed shop.

2500 Coal Cars Ordered
Chicago, Nov. 4.—(By A. P.)—An order for 2500 steel gondola coal cars, costing about \$4,500,000, and said to be the largest order for railroad equipment to be placed since the roads were returned from Government control, was announced today by H. E. Ryan, president of the Chicago, Milwaukee and St. Paul Railroad. Fifty thousand tons of steel will be used in filling the order.

PLAN BIG WELCOME FOR GENERAL DIAZ

Italian War Hero to Arrive Here Sunday and Is Assured Great Reception

Generalissimo Diaz, hero of the Italian Army and idol of all Italy, will arrive in this city Sunday afternoon at 5:30 o'clock. He will be received in reception by the City of Philadelphia and will be given an immense ovation by the Italian societies of the city. A special committee, appointed by

the Mayor, will meet the general and his party upon their arrival at Broad Street Station. They will proceed to the Mayor's reception room in City Hall, escorted by the First City Troop.
From City Hall the party will be conducted by automobiles north on Broad street, accompanied by a cavalry escort and a body guard of the American Legion, to the Metropolitan Opera House, where the official welcome will take place.
On either side of the street the Italian societies will have allotted places, and sidewalks on the north side of City Hall being reserved exclusively for Italian veterans of the World War.
It is expected that every Italian in Philadelphia who can walk, creep or be carried to the scene will be present in the vicinity of North Broad street when the time comes, as General Diaz has achieved a popularity with the Italian people which has rarely been equaled since the days of Garibaldi.
