

WON'T BE SILENCED IN SHORE CHARGES

Faber to Continue Campaign
Against Police Officials, De-
spite Refusal of Hearing

RECALL TO BE CONSIDERED

Special Dispatch to Evening Public Ledger
Atlantic City, Nov. 4.—Undaunted
by his inability to lay before the City
Commissioners certain charges involving
Commissioner W. S. Cuthbert, Di-
rector of the Department of Public
Safety, and other officials of the police
department yesterday, Simon Faber
stated today that he and his associates
are more than ever determined to secure
for Atlantic City an honest and
efficient administration of the police de-
partment.

"The refusal of the City Commission-
ers to allow me to state my case only
strengthens the belief of my associates
and myself that there must be some-
thing in what I have been told about
the detective and police departments,"
Faber said.

"Inasmuch that we do not expect any
efficiency in the Department of Public
Safety so long as Cuthbert is the head
of it," he continued, "we shall feel out
public opinion as to what the chances
are for having Cuthbert recalled. If we
find it favorable to a recall, we shall
proceed with circulating the necessary
petitions. On the other hand, if the
votes are not quite ready for a recall,
we shall endeavor in various ways to
educate them to the necessity for mak-
ing a change in the personnel of the
police officials."

Questioned as to what he would do
with the charges he was not permitted
to make at the commission meeting,
Faber said, "this will be decided at the
earliest possible moment, probably by a
committee representing the Citizens'
League, a newly organized body of
high-grade men and women." He de-
cided to name those behind the new or-
ganization.

BAPTISTS ELECT OFFICERS

E. W. Hunt, of Bucknell University,
heads Promotion Board
Indianapolis, Nov. 4.—Officers were
elected yesterday by the General Board
of Promotion of the Baptist Church in
yearly business session.

The new officers are: Emory W.
Hunt, Bucknell University, president;
S. J. Skivington, Los Angeles, first

LEAVES DELAYING TRAINS

West Chester, Pa., Nov. 4.—Leaves
have been causing much trouble to
trains over the line between this place
and Philadelphia by way of Media. The
rain caused tons of leaves to cover the
tracks, and yesterday a heavy passenger
train was stopped by them near Oak-
bourne, two miles from this place. The
trainmen were compelled to cut off two
coaches, bring them here with the pas-
sengers and then return for the others.

He Needs It—
"The Iron Food for Vitality"

The Iron Food
for Vitality

The Vim-ful Dish

—a luscious breakfast fruit that makes whole
days go better for men

How to Stew Raisins
Serve for breakfast every morn-
ing and get your daily
iron this way

Cover Sun-Maid Raisins with
cold water and add a slice of
lemon or orange. Place on fire,
bring to a boil and allow to
stew for one hour. Sugar
may be added but is not neces-
sary, as Sun-Maid Seeded Raisins
contain 75 per cent natural
fruit sugar.

Men need dash and vim in
business—iron in the blood. And
here's a luscious dish that sup-
plies it in abundance.

So delicious that they want it
as their daily breakfast fruit, and
so get the benefits that come
with regularity of use.

Raisins, rich in food-iron, sup-
ply rare nutrition—1560 calories
of energizing nutriment per
pound.

Mere brains alone cannot long
compete with those brains that

are fortified by iron in the blood.
"The Iron Men" are those who
can work hard and stay well.

You need but a small bit of
iron daily, yet that need is vital.

And you, madam, largely se-
lect the food. So it is up to you
to replace the energy that "he"
burns up each day.

Men won't eat food regularly
for nutrition only. It must have
delicious flavor to entice them.
See how stewed raisins do it,
and then note the good they do.

Raisin Pie
Men are quickly refreshed at
night by a dessert like this

SUN-MAID RAISINS

Use Sun-Maid Raisins, made from
California's finest table grapes—
American raisins, processed and packed
immaculately in a great modern Cali-
fornia plant.

(grown without seeds); Clusters (on
the stem). Also a fine, scar-free
dessert.

Raisins are cheaper by 20 per cent
than formerly—see that you get plenty
in your foods.
