Budapest Assembly Adopts Bill Dethroning Former Monarch Charles

BALKANS ARE DISSATISFIED

By the Associated Press Budapest, Nov. 4.—Former Emperor Charles was dethroned and the Hapsburg dynasty was ousted from Hungary by a bill adopted by the Hungarian National Assembly today.

Count Stefan Bethlen, the Premier, introduced the measure in the Assembly yesterday, and it was expected the debate would last for at least two days. Final action upon it, however, was taken today.

Vienna, Nov. 4.—(By A. P.)—The Hapsburg dethronement set in Hungary is declared by the Austrian press to be inadequate from the viewpoint of Austria and the Little Entente nations, as it failed expressly to exclude ex-King Charles and the latter Hapsburgs from the elected Kingship.

It has been understood here that Premier Bethlen, of Hungary, intended to resign when the Dethronement Act was passed.

Paris, Nov. 4.—(By A. P.)—Demands for the execution of the Trianon Treaty between Hungary and the Allies, indemnification for the cost of calling Jugo-Slav soldiers to the colors and complete disarmament of Hungary are made in a note to the Entente nations.

Bonar Law is Expected to Influence Unionists to Accept Agreement

CRAIG ARRIVES TOMORROW

By the Associated Press London, Nov. 4.—A Bonar Law, one of the most prominent members of the Unionist Party and former Government leader in the House of Commons, conferred with Prime Minister Lloyd George last night, and is taking a hand in the effort to reach a settlement of the Irish question.

The Daily Mail said today that Bonar Law would, if necessary, bring independent influence to bear upon the extreme Unionists with the view to achieving a complete agreement. The outlook for a successful conclusion of the Irish negotiations was regarded as somewhat improved here today because of recent suggestions regarding Ulster's possible share in the settlement and the prospect that Sir James Craig, the Ulster Premier, would take part in the discussions.

The British Government is endeavoring to find a method to transfer to the Ulster Government powers which would enable it to function without delay. It was asserted by the Daily Mail today that this might be effected by an order-in-council, which would obviate the necessity of waiting for Parliament to pass a special bill.
