The Proposed Exposition

To the Editor of the Evening Public Leduce. Sit--It is somewhat pathetic to read the attempts of certain readers to giv wild attempts of certain readers to give this 1926 show a name. There is no justifica-tion whatsower to call it a 'world' carb-sition any more than to call a bas-ball mame between two teams of overpaid pro-fessional bravaloes a "world's" series Ninety-five precent of the world knows noth-me about hosphall and examining "me acties remains To the Educe of the Evening Public Ledger: Sir-In a company of friends it was ing about baseball and carse still less. The hystoric shouts concerning liberty by cer-tain writers would lead one to ballew that ill other nations were only a shade removed ther a gang of convicts. H. W. f.

all other nations were only a shade removed from a gang of concists.
all other nations were only a shade removed from a gang of concists.
all other nations were only a shade removed from a gang of concists.
all other nations were only a shade removed from the problem of the stress of the united states of the stress of the united states and point in the stress of the stress of the united states around for the doughnut or come equally important event.
Tou then inspect a huge locomotive amide a containing 2.2100 000 areas are partially the areas are cough for sensite. At the sensite for the bigs end there share both and thirty-three million acress are partially for the filter of the Element of the bigs end there stands a lordy restaurant which dispenses homeopsing for usa of lines of united filter of the bigs end there stands a lordy for wood pulp for paper.
by is crewd of pesiferus rubber stamp version for the stream of the filter of the bigs end there is an event wat a stream of the stream of the the bigs end there is a stream of the there is a stream of the foresta of the filter of the filter

In another building, when us the molecular spectrum and the molecular spectrum and the molecular spectrum and that group of birds known as vultures the safe withing the spectrum and that group of birds known as vultures. The making of checklare drops in the making or a bakery turning out real bread. What a freat to bring people overeas the eagle is not far removed from the suiture in either attributure or disposition. What a freat to bring people overeas the eagle is not far removed from the suiture in either attributure or disposition. The Use of Water Pipe The use of Water Pipe Scuptors of life are we, as we stand With our lives uncarved before us Our life-dream passes of rus With many a sharp inciden. It heavenly beauty shall be our own---Our lives, that angel vision. is suffocating and the noise trainen-

The Use of Water Pipe are polished. Possibly they have never seen for the Editor of the Evening Public Ledger: are not find a military band in a klock play. Similar and that have inherited to are not find a military band in a klock play. ing a lively jazz tune, for which we give thanks.

After that you are at liberty full fragment some nicely varnished trolley cars, which seem to have dropped into the building from nowhere. Put on your spece and contem-plate the marvelous eight. Naturally you Naturally your plate the marvelous sight. Naturally von have never seen an unused trolly car be-fore. You can then stroll several miles emong drainage-disposal plants, sousage-skin machines, sawmills, policy stands ard samples of minerals in targe chunks, real estate agencies and baking powder eshibits blecting circulars and booklets by the fluo redweight, the principal pastime of visitors o the so-called "world" expositions. Frankly apeaking, the good which exposi-

Frankly aveaking, the good which exposi-tions do any city could easily be written on a postcard, without using half the space. If Philadelphia would spend the money in-tread in beautifring the city and boosting and increasing the shipping facilities, we should all be benefited. New York is an exposition in itself. Let us try to make Philadelphia worthy of a place on the map ERIC B. SINCLAIR,

4765 Frankford avenue, Philadelphia, No-

vember 1, 1921.

#### Bible Says So

To the Editor of the Evening Public Ledger: Sim-One of your correspondents states that the Bible does not sanction the taking of human life, and therefore he is opposed to capital punishment. How about Genesis is, 6: "Who sheddeth man's blood, by man

To the Edit is of the Evening Public Ledger: God made He man." The judges and 

Letters to the Editor should be as brief and to the point as possible, avoiding anything that would open a denominational or sectarian dis-

a denominational or sectarian dis-cussion. No attention will be paid to anony-mous letters. Names and addresses must be signed as an evidence of rood faith, although names will not be printed if request is made that they be omitted. The publication of a letter is not to be taken as an indorsement of its viewe by this paper. Communications will not be re-terned unless accompanied by post-aps, nor will manuscript be saved.

like a poem entitled oman and will make Fong of the Undertaker sort of a wife 8 L. C. MRS. W. C. CRAWFORD. Pheladeublia, October 29, 1921. Philadelphia, October 31, 1921.

Sur-What is the difference between an engle and a vulture" F. L. A. Palladelphia, November 2, 1921

What if tomarrows cares were new out its rest? I'd rather He unlocked the day And as the hours ewing open, say: "My will is best. My will is best."

The Use of the Evening Public Ledger: Size-My sature and I have inherited two adjoining houses. The rain water is carried off my stater a house on the front by a fouriesh pipe. The water from my house is carried to this same pipe by a smaller pipe inserted in the large pipe. Thenes to the ground. Owing to misunderstanding my stater threatens to cut this smaller pipe. Now, the water has been running for more than twentyone years. Can she make the do it: UNNSTANT HEADER. Thisdelphia. November 1, 1921. Thisdelphia such fashion as you state for the structure in a heat continuous use of the mater and is such fashion as you state for It would seem that continuous use of the Water sine in such fashion as you state for mure than twentrohe wars has created an ecompute wirs, the right to continue using out its rest?

#### Disposition of Property

Disposition of Property To the Editor of the Evening Public Ledger: Sir-A and of des leaving a property if her name without a will. Who would claim it according to New Jersey law, her peo-ple or her hisband, also bank book in her name? Does same apply to husband leav-ing wife and property in his name. 5. A. J. Camiden, N. J. October 12, 1921. The howband upon the death of his wife has a life lemancy in her property. The widow of a person dying intestate is entitled for the term of her life to one-third of his

teal estate.

### for the term of her life to one-third of his Enough: this covers all my wants For what I cannot. He can see Chief Justice White's Will

will appeal to

Sir-I have heard much of Chief Justice White's will, which was so short, and as he was a Chief Justice must have been a model. If it was short, would you kindly print it? I would like it for a model. B. C. F. Philadelphia, November 1, 1921. The will of the late Chief Justice White, which was contained in fifty-one words, read: Str-I have heard much of Chief Justice The People's Forum will appear daily in the Evening Public Ledger, and also in the Sunday Public Ledger. Letters discussing timely topics will be printed, as well as requested poems, and questions of general interest will be answered.

"This is my last will. I give bequest and devise to my wife. Letta M. White in complete and perfect ownership all my complete and perfect ownership all my rights and property of every kind and nature, whether real, personal or mixed, wherever sluated, appointing her executrix of my es-tate without bond and giving her seisn thereof."

The word "selain," also spelled "seigin." is a legal term meaning possession.
