## Walking One Afternoon With Munkacsy in the Lovely Duchy of Luxembourg

years ago, the writer learned that day from the great artist that what a man sees depends upon what is within himself. It is not alone his eyes nor his ears that tell him things.

Munkacsy saw Nature and passing incidents around him with more than eyes, he saw with his soul. It was reflected in his face. So it is that there are those who commune with Nature with more faculties than the eyes, which simply tell us colors and shapes of flowers and leaves, but nothing of their melodies and harmonies. They will see the most without who have the most within.

## In the Women's London Shop

Forty-five of our best topcoats for women will be disposed of in a special sale tomorrow morning—their new price being \$50.

They were cut from the best English tweeds—overplaid and herringbones—by our London Shop tailors, show the best of lines and workmanship and have silk and satin serge linings.

All sizes in the lot.

## Remarkable \$35 Suits and Dresses for Women

Perhaps we ought to put that differently—their late season price is \$35, but a few weeks ago you would have paid at least \$15 more for them.

The dresses are made of the heavy silk crepes in brown, navy, taupe and black, and they are beaded, embroidered and perfectly simple, but they seem to have been designed especially for the women who like a dress to do good all-around service. There are a dozen styles or more in this group.

The suits are cut from novelty woolsens in soft, light mixtures, besides navy and brown and tan, and some of them are fur trimmed.

And there are some cape dresses in the lot and some coat dresses, the dresses being mostly sleeveless.

## Girls' and Young Women's Topcoats of Exceptional Value, \$32.50 to \$85

Ready tomorrow are three-quarter belted sports coats of all-wool heather mixtures, topped by great shawl collars of good raccoon fur. They are lined with figured silks, warmly interlined, and are exceptionally good for \$45. Sizes 14 to 20.

Full-length coats of duvetyne, in two models, one with a collar of nutria fur and the other with a great collar of opossum, are unusually good value at \$85. Both are finely silk lined and interlined, and offer a choice of black, several browns, navy and Sorrento blue. Sizes 14 to 20.

At \$42.50 are extraordinarily good coats of soft woolen sports cloth in the natural camel's-hair color, with collars of nutria fur. Made with raglan shoulders, inverted pleat backs, buckled belt, strapped sleeves, slot pockets and good silk lining and interlining. Sizes 12 to 18.

## Raccoon-Collared Coats for Younger Girls, \$32.50

These are in sizes 6 to 14, and are of wool chinchilla, in navy, brown or cinnamon, well lined and interlined, and generously colored with raccoon. They have box-pleated backs, buckled belts, and with these collars are surprisingly good for \$32.50.

Every other good kind of coat that a girl or young woman could want is here.

## New Blue Silk Overblouses From \$5 to \$8.75

And they are such pretty overblouses as you would never think were such little prices as these.

Another in navy silk tricolette has the simple, youthful Peter Pan collar which, with the cuffs and pockets, is bound with white silk braid. It is \$5.50.

Still a third is in dark blue crepe de chine with Peter Pan collar and cuffs of embroidered white net. This is \$8.75.

## The Spanish Comb Has Quite Captured Paris

Just such combs are among the new arrivals in the Jewelry Store. They are the high-back combs in Spanish effect in imitation amber, shell, jet or a lovely combination of jet and crystal, which is quite the prettiest thing imaginable with certain shades of hair.
