

Pioneers Hew Their Way to High School Grid Title

FRANKFORD WINS ITS FIRST TITLE

Summers Stars in Victory That Brings High School Football Crown to Pioneers.

LARGEST SCORE OF SEASON

Frankford High School realized a long-cherished ambition yesterday when it defeated its old rivals, Germantown, 35 to 0, and thereby captured its first Public High School League football championship.

In the five league games played the champions shut out their rivals without a score.

The Pioneers, in making victory certain, rolled up the largest score of the year against their suburban rivals, showing a power and drive that left little doubt in the minds of the large crowd of spectators that the present eleven is the best in the history of the school.

The Summers, the giant halfback, goes much of the credit that brought victory to the Frankford team yesterday. His end running and open-field tactics were the best ever seen on Troop's Field and mark Summers as one of the best backs of the season in local schoolboy ranks.

Summers scored the first touchdown about the middle of the first period, when he broke through the Germantown line on a double pass from Remney and ran thirty yards for the tally.

The second and third periods saw the Pioneer halfback making long gains, aided by Captain Remney and Lightfoot. He almost scored in the second period when he took the ball over from the 3-yard line but fumbled. Remney, an end on the victorious team, fell on the ball for the second touchdown.

Runs Fifty Yards
It was in the fourth period that the star halfback was at his best. The Cliveden were at this time staging an aerial attack which carried the ball into Pioneer territory. Karbach, Germantown's halfback, heaved the ball in the direction of Lundgren, who is one of the best receivers of forward passes in the league. Summers snatched the oval out of the air and by shaking off a half-dozen tacklers ran fifty yards for a touchdown.

On the first play in the final quarter Summers broke through the line on an off-tackle play and zigzagged his way through a broken field for his third touchdown of the game.

The Cliveden were outplayed in every period except the third, when they held Frankford senseless. Lundgren received forward passes in this period from Karbach on three occasions and in each case made 20 yards. It was another pass from Karbach to Lundgren that brought the ball to Frankford's 3-yard line. Another attempt was unsuccessful, the ball grounding over the line.

Germantown tried the aerial route again in the final period, but failed, two Frankford touchdowns resulting from intercepted passes.

Frankford High School, as a result of the victory, will be the first school to have its name engraved on the new Dutch trophy emblem of the public high school championship.

ARMY STAR RECOVERS

French, Fullback, Being Carefully Groomed for Game With Navy

West Point, N. Y., Nov. 18.—French, the Army eleven's star halfback, is entirely recovered from his injuries and is being carefully groomed for the game with the Naval Academy, November 29.

In every scrimmage during the week French has shown his usual ability and has been sharing kicking duty with Smyth.

Particular attention is being paid by the coaches to the end line, in which many defects were noted in recent games. There is a wealth of good backfield material, including Ascher, Warren, Dodd and Perkins.

LEWIS STOPS M'CORMICK

Ted Wins Over Englishman in 14th Round on Technical Knockout

London, Nov. 18.—Ted "Kid" Lewis, the English middleweight champion, stopped Roy M'Cormick in the fourteenth round of a twenty-round bout here, when the referee halted the proceedings in order to save M'Cormick from further punishment. M'Cormick bled profusely from a cut over one of his eyes during the final round, and was greatly hampered in his work. In the fourteenth round Lewis drove a hard blow to M'Cormick's mouth, knocking out one of his teeth. At the close of this round the referee made an examination of M'Cormick's injured eye and then declared Lewis the winner of the bout.

SHORE SWIMMER STARS IN WEST BRANCH MEET

Alexander Burman, of Hygeia Club, First in 100-Yard Open

Alexander Burman, of the Hygeia Swimming Club, of Atlantic City, defeated a field of local talent and won first honors in the 100-yard open scratch race, the big event of the West Branch Y. M. C. A.'s swimming meet, held in its pool at Fifty-second and Sanson streets last evening.

The shore lad started out by copying the first heat against Pat Reddy, of Meadowbrook, and Carlen, a Penn. man, swimming unattached, and later in the final again turned the trick, winning in the fast time of 43.4 seconds. Local swimmers lost out in two of the other three open events. After three preliminary heats in the men's 220-yard handicap race, Henry Gray, unattached, was declared winner because of his elapsed time of 3 minutes 14.4 seconds being the best. Gray had an 18-second start in his heat.

Both of the women's events went to out-of-town girls, Gertrude Ederle, of the Women's Swimming Association of New York, world's champ, won the 100-yard scratch race in the excellent time of 1 minute 9 seconds flat.

The women's 100-yard handicap battle was awarded to Bernice Custer, of the City of Hygeia Swimming Club, of Atlantic City. Her time was 1 minute 22.2 seconds.

It is Fleisher's home game, the venue having been changed for the express purpose of giving the uptowners a chance in which to see the Industrial League champions in action.

Philadelphia F. C. leaders in the big professional soccer circuit, the American League, has a hard schedule ahead of it this week-end. Tomorrow afternoon the Phillies line up against Fall River at Fall River, Mass., and on the following day they travel to Jersey City, where they tackle the Celtics of that city. Both these matches are in the league series.

FRIEDMAN-SEDRAN STATUS UNCERTAIN

Not Positive That They Will Play With New York Giants Here Tonight

NEW FORWARDS FOR PHILS

Local basketball fans are anxious to learn whether Barney Sedran and Marty Friedman, known as the "heavy-duty twins" in basketball, will line up with the New York Giants against the Phils this evening in an Eastern League basketball game at the National A. A. Eleven and Catherine streets.

Manager William Myers is hoping they will be there, but is not willing to commit himself. Sedran and Friedman are two of the greatest players in the game. The mere announcement that they will appear is the magnet that attracts hundreds of former supporters of the old Jasper Club, the followers of which fairly delirious these stars.

Several years ago Friedman and Sedran were scheduled to play with the North Phillies. They were present, but, through some misunderstanding, refused to play, and every one is positive that the advertising of the said players was merely to secure a crowd.

Phil's Need a Few
As far as attendance is concerned, the Phils could stand a few cash customers very well, but Manager Myers is not certain that Sedran and Friedman will play. Lou Stolz, president of the New York State League, conferred with Charlie Briggley in New York yesterday on the matter.

They are credited with having reached an agreement that permits Sedran and Friedman to return to the Eastern League, but as yet there is no actual confirmation of the same. But the Phils will have their strongest line-up in the game anyway.

Chickie Pason, O. K. for the first time and Tom Davies, the Pittsburgh flash, will make his debut. "Muttie Gallou" will also be ready for one of the front positions. The guards will be Tommy Humberly and Willie McCarter. "Skoots" Wright will jump and Cross will be ready for emergency.

In the preliminary representatives of the Cooley Catholic Club and Forty-eighth Ward will make things hum. They are old rivals and have agreed to settle their differences in forty minutes or less.
