PROSECUTION LAWYERS AND JUDGE IN ARBUCKLE CASE

London Papers Divided on Attitude of Premier Toward Reducing Army

BRIAND AROUSES

FRENCH PRESS APPROVES

By the Associated Press London, Nov. 22 -In commenting on Premier Briand's speech before the Washington Conference London morn-ing newspapers follow the respective attitudes which they have maintaine toward France's policy in keeping a lig There is one section of aminio which sees in France a militaristic, re vengeful spirit and another whi constantly listrustful of Germany. consequently, regards France as instition in keeping prepared for a possible fresh

attack. The Times, always sherifical as to Germany's actual disagnoment, says ; With a chronic menser hanging over her, it would be criminal fells for

France to relax her vigitance. Re-ferring to Societary Hughes' remark about safety for the institutions of like erty. it says ; "The institutions of liberty will not be safe until Germany un-

erty will not be afa until Germany un-dergoes a change of henry." The Daily Mail comments in a similar vein, and the Daily Telegraph is also sympathetic with France's position. Re-viewing the existing military similar in Europe, the latter newspace says: "The idea of limitation of land areas ments by agreement is confined at pres-tent for the year continued. The matter with that country were described as

Opposing View Expressed

The Daily Chronicle on the other occupied a position, it was explained, hand assures France that, although the American Senate turned down the sug-

American Schate further, down the sug-gestion for a joint American English guarantee, she can equit certainly upon the support of both of them in the event of German aggression. The newspaper says that, when French statesmen speak of further disarring children of Amstria. Germany, one would like to know just what they mean and what they would "have feeling" here wish done that has not alread, here "have feeling" here

France is accused by the same news, paper of maintaining a basile policy toward Russin "with the sort of hos-tillty which tends to perpetuate what
