ment and histrionic talent, that it is not

It is not as a play among hypothesis and ability, but that she shall not one thate the form modern dramas that we feel enthusiasm over this inscious entertainment, but as a serious turning-point in the latter of mastery and contempt, so long at titude of the seves lowerd each of the supposed he had purchased her with his pulsassi fortune.

ceive this plot, and immense anderses applicates applicated it, surely betokens a recomplete face-about in human thought.

The American billionaire, of treependous power and will, who is no associated to break his adversaries and seize large enterprises without the least moral compunction, is pictured as a hashand in extremis.

Nov. she can go to him as an independent with a certain young man, who up to a short time ago gave me to understand that he carred for me, too, I have for love. He realizes how much higher a compliment such a choice is than that of the oralinary mercenary woman, who up to a short time ago gave me to understand that he carred for me, too, I have find the previous him as an independent woman free to choose a mate for love. He realizes how much higher a compliment such a choice is than that of the oralizes how much higher a compliment such a choice is than that of the oralizes how much higher a compliment woman free to choose a mate for love. He realizes how much higher a compliment woman free to choose a mate for love a short time ago gave me to understand that he carred for me, too, I have showed up. Now, it has been three weeks, and he has not offered one word of apoing or explanation for his because the results of the wholly fantastic and impossible giving nouther party soon, and I warm

that if a man loves he must be decently solved, even in jest, a few decades ago. Please, dear () ithin, tell me what to do marry, but that when he ceases to love. Always we find the woman succumbing. can rid himself of his spouse, and pension her.

He is tremendously drawn to the destroyed by the entern voice and married in dry the final currian. The feetable morsel of feminine leveliness, the heroine, not only by the usual attractions, but by an honest admiration for her ability to hundle a situation, and cause, the heroine was always the decision the conflict twixt love and levelty to a feat tyntha—I am glad you have the heroine was always the decision.

# Two Minutes of Optimism

### Thanksgiving

THANKSGIVING DAY is here.

Of all the fest days in our calcular, I think I like Transsgiving hert of all I and I like it for the same reason that I like weldings—not for myself—. ough! But I like to go to wouldings because of the lights and the happiness and the gayery and the life and all the other things that make one feel [1]

ce was enough! But I like to go to weddings because of the lights and the ppiness and the gayety and the life and all the other things that make one feel and poor an young and joyous and celtish. Thanksgiving is probably the one holiday which rura and poor, whose that go on loser, optimist and possitaist can selebrate on common ground—the ground that go on no matter what troubles, wors, growness or ill conditions are afflicting us—things another active to aren't as bad as if they were twice as bad.

For this one day at least ignore ghosts and the handgraies, turn coursing.

To the bright spots on the herizon, be thankful for the blessings year enjoy.

On this day plant cheerfulness and optimism in the back of your head, hearish it all the twenty-four hours, and maybe you will grow enough to hand out all would like to know what would be a size a brishnas present for him.

The sky sometimes steam out, and and a soir asad escaphanity nebest but today decide that the sun shall share over all, determine you will feel fine, look it and give him a present.

Send Him a Card

Down typicha—I have been going with for the ordinary would serve in my least. I realized then that anything out of the ordinary would serve in my follow for about a fraction of the ordinary would serve in my follow for about a final would like to know what would be a size a brishnas present for him.

Send but a present for him by least in the printed pages. I was restricted that the sun shall share over all, determine you will feel fine, look it and give him a present.

This day refer the bright and young like a limit of the ordinary would serve in my followed to make receibling had gone wrong.

I tried to reassure to seem the my book, but I could not keep my mind on the printed pages. I was restricted that the sun shall share over all, determine you will feel fine, look it and you have been going with followed to have would be a size of the ordinary would serve in my love out of the ordinary would serve in my love out of the ordinary would serve in my love of the ordinary would serve the love of the ordinary would serve in my love of the ordinary would serve i

This day relax and rost; laugh autile as often as yet can, and cultivat humility-enterceiation of the fact that you are a sight better off than you deserve to be-that a benetolent Providence is seeing on a class you don't get what-

All day long think joy And if, in spite of everything in the contract the second etall give sets one poorer than you a tarkey. It will surely make you betay

### The Question Corner

Today's Inquiries
In order to give a somewhat different appearance to the Thanksgiving dinner table what homeflower vases may be used? 2. Describe a new apple corer which works very easily and quickly.

Of what material, and in what shape are some interesting bou-doir lamps made which need no

4. Who was Elizabeth of York? 5. How is monkey for used to form the finish of an arresting street

6. When a bend chain that is to be used for a girdle seems too nar-row to be becoming, how can it be widened without being restrung?

Yesterday's Answers

For the buffet or for the serving table in a dining room a bright and original decoration for Thanksgiving Day is formed of a pumpkin, surrounded on either side by a grapefruit and an orange, each of the fruits holding an orange-colored candle to match its size, and the whole being laid on a white cover, scattered with green leaves. In a monogram where the middle

letter is larger than the other two placing the initial of the last placing the initial of the last name in the center is the way of arranging three initials most popular at the present time.

An economical "log" which is excellent for starting a wood tire can be made by rolling scraps from the waste basket inside a piece of new symper and forming

piece of newspaper and forming this into the shape of a log.

In the realm of history, Elizabeth of England was the daughter of

James I.

To make a smart cordurey dress-ing robe in a different port of way put a narrow border of braid in dull golds and colors that harmonize around the neck and down either side, tying the gown with A dark waist to be worn with

the suit has a deep, round-col-lared vest and cuffs of white voile, which can be taken off and laun dered at intervals, so that the whole thing is kept extremely fresh-looking.

# A High-School Boy Wrote a Composition on What His Ideal Girl Should Be

I DON'T know whether you have seen If That Is His Ideal He Will Not Have Much Competition for Her Hand-She Is Too Good and Dull to Be True

about it. The foundation is a black HE WAS ASKED to write a compo-

This is what he wrote:
First. Do not flirt. It is useless
and has no definite aim. You do not necessarily have to be a sissy, so to speak, or to be stiff.

Second. Be at case in company. The little things

ideal girl is the same girl in public as in the eyes of a brother or sister. Third. Don't tell all your secrets to your girl chum.

Fourth. Do not offend a girl friend because of jealousy.

Fifth. Do not worry about having good clothes. Look neat and clean in the remarks of his have caused.

WONDER what that nice young A high-school boy would do if he ever net a girl like that? Something tells me he would take one look, exchange one word-and ran a mile away from her in record time. fifteen-jeweled movement, comes on a nice ribbon strap, and has been specially priced for Adventure readers at \$18. Here is a hargain you must Write the composition and get in right

with his teacher at one and the same For surely this ideal girl is just built

o cater to the supposed ideas of some It must have been a very prim, prudish teacher that he wanted to please.
Imagine a girl who answers to this

description.

She would be very popular among Boys would tell their coquettish, well-dressed, fickle "girl friends" that she would make "a wonderful wife"—for omebody else.

And yet this boy may possibly think

that this really is the kind of girl he He does approve of her.

FLIRTING, he declares, is useless and has no definite aim. He doesn't know one-quarter of it. does he, girls?

The ideal girl is the same in public as in the eyes of a brother or sister—does emotions. this mean that he wants her to treat him

little things he has said and confided He always wants her to keep all those delicious bits to herself instead of gig-gling over them with somebody who has been through the same experience,

and the other girl makes him pay for it

that kindly offer-"but I'll be a sister

line: "Don't tell all your secrets to your

o you"?
But here speaks the eternal mascu-

By secrets, of course, he means all the

BUT this about being neat and clean and contented in what you have—isn't that a boy and a man and an older man and a grandfather all over? Of course, he wants you to look your best always for him, he wants his girl / to be better dressed and better looking than any other girl—but he expects her to do it without any fuss, or any worry over "having good clothes."

How we have spoiled them! Need we say anything about his last requirement? It stands to reason that if she fulfilled all the others she would never be anything different from the dull, drab, prim thing that he

Peor hoy—some girl has probably been torturing him by trying out her various moods on him.

Perhaps that's the reason he drew up

such a sorry, uninteresting, unfeminine picture of a girl as his ideal. The very opposite of the girl be really adores and is trying in vain to please!

## Kinds of Eyes

A cold, indolent, selfish disposition accompanies a feebly tinted or colorless ye.

Bright eyes are a proof of good health and a happy outlook on life.

People who talk well and love to talk usually have large eyes.
Dark eyes suggest deep and strong is mean that he wants her to trent him fr your eyes change color, as from gray to black or blue to brown, it is Oh, hasn't he ever heard how many a lucky sign.
