JURIST DID NOT ORDER OPERATION

Judge Graham Says Law Would Not Permit Him to Do So

OPINIONS HERE ADVERSE

By the Associated Press Denver, Nov. 28 .- Judge Royal R. Graham, of George Towne, today denied that he had recommended to court

sible for her to bear any more children. declaring he only told a reporter such an order might be entered under evr-'After the case had been adjourned,"

maid the Judge, "I did remark to a reporter that an order directing such an operation might be entered if an investigation disclosed conditions that would make it necessary and if the consent of the parties concerned could be obtained, but as to forcing Mrs. Cassidente to submit to such an operation.
that was farthest from my mind.

Mrs. Cyde Cassidente was before Judge Graham in the Juven's Court here Saturday, on complaint of Denversocial workers to show cause why ler
children should not be removed from ler
custody, the complaint alleging that
the Cassidente home was hit y and that
the children had been neglected and

according to the witness, the woman was hearing children too fast. There are five Cassidente children, the oldest eight years old and the youngest about a year

Discussing the case after it had been Two Members of Gang Admit Guilt. 'As to the justice or advi-ability of such an operation, I do not sare to comment. Certainly there is no law that would permit such a ruling.

"It is simply terrible, any idea that a poor woman should undergo an opera-tion to prevent her from having chil-dren simply because she cannot care for them, or any other reason. This sore of thing would have denied Abra-ham Lincoln the right to be horn.

Mrs. Frederick Schoff, honorary pres-

ident of the National Congress of Mota ers, of which she was active head for

at Denver, suggested that such opera-tions might in certain cases be advis-able. The conversation followed the appearace in the Judge's court of Mrs. Clyde cassidente, mother of five children. Social workers had reported that she did not keep her home in fit con-dition for the children to be raised

"This is one of the worst things I ever heard," continued Mrs. Schoff, "It itively awful. tell you, these matters are under

the guidance of a divine providence.
Why, in this country it is poor people who have the best chance to forge ahead in the world. We all recognize that. I have been reading of this Denver affair with tremendous indignation. Any Judge or so lal worker who would make such a suggestion should be thoroughly ashamed.

"The whole suggestion is beyond be-Hef. How can reputable people think such a thing? I have done social work

dangerous power to put into the hands of a court or any other agency, this power to order sterilization."

PROSECUTOR URGES

French "Bluebeard" Listens ment of Public Works when the budget Stolidly to Summing Up of Arguments

By the Associated Press Versailles, Nov. 28 .- The Landru week today, with the summing up of

Prosecutor Godefroy. He went over the evidence presented in the case of each of the eleven persons—ten women and a boy—whom th "Bluebeard of Gambais" is accused th "Bluebeard of Gambais" is accused of murdering and of cremating the bodies in the kitchen stove of his villa. The prosecutor passed fightly over the fifteen additional charges of forgery and swindling against the prisoner.

Tomorrow Attorney Moro-Giafferi, counsel for Landru, will make his plea in behalf of the accused. The case is expected to go to the jury tomorrow evening or Wednesday.

A sentence of death on the guillotime.

evening or Wednesday.

A sentence of death on the guillotine, and nothing else, will satisfy the prosecution. Prosecutor Godefror informed the Court in opening his address. He asked the jury not to take into consideration the factor of "attenuated responsibility" of the accused, founded upon various mental examinations of Landru by experts.

M. Godefroy described Landru as one of the most astute and clever murderess.

of the most astute and clever murder as of all time. His intelligence was above the average and his memory marvelous, declared the prosecutor, who laid esexperts for the state and the positiveness of their identification as of the bones found among the debris about Landru's villa at Gambais as those of human beings.

M. Godefroy dealt extensively with the theory that Landru had to kill his victims to protect himself.

"As soon as these women became aware of Landru's real identity," he idealaged the state and the positive to green the box. Of the twelve talesmen in the box. accepted subject to peremptory challenge, eleven were women. Counsel for the defendant by their challenges has week indicated a preference for jurors of that sex.

Their eleven remaining challenges are more than sufficient to keep from the jury enough of the men whose names remain understant.

refuse to reveal the whereabouts of his victims as a means of protecting their good name, since he had protested he never had any but commercial relations

with them.

He acknowledged, however, the inability of the prosecution to prove the manner Lan its had adopted for the slaying of his alleged victims.

Landru listened unmoved, so far a outward appearances went, to the prosecutor's scathing arraignment. He never even glanced in the direction of M. Godefroy, acting as if the matter under discussion did not concern him at himself with abstractedly jotting down a few notes on a pad.
