And Also Adds Some Recipes of Her Own-The Coffee That Is Left Over Will Help Make a Tempting Custard

Sally Lunn
Buying five pounds of flour for twenty-five cents gives me four cups to

It is very necessary that I keep the

as possible. Waiting until late Saturday night to do shopping will find pro-

usion dealers and meat stores glad to dispose of stocks at ridiculous figures. For instance, last Saturday night I purchased a five-pound butcher's roast

at ten cents per pound. The bone that was left in at the end made a fine vege-table soup for Monday's lunch.

Dear Mrs. Wilson-I was very much interested in reading in your Cosmopol-

itan Kitchen of someone who got up a

I have a family of five adults and I always have a four-course dinner. This is one of my menus:

Split Pea Soup Lamb's Liver creamed—or Hamburg Steak

pound.
One and one-half cups flour..... these menus to you, it should be un-derstood that locality usually is the real cause of low price. We all know that for every high-priced commodity for 25 cents)
Three teaspoons lard
Three teaspoons baking powder.. is the opposite, and then again there is the opposite, the composite of the composite of

peighborhood to market.

A housewife will write me: "I can not find food at prices given in menu in my neighborhood and don't believe can be purchased for price named. If you go a marketing in less preten-

been very limited in their food budget and have put forth strenuous efforts to give the family good, palatable and nourishing food, and if, in their efforts in their sisters a graguetter. orts to give their sisters a suggestion out such as brend, butter, coffee, don't criticize, but rather fel that you perhaps can do even bet-

ter if you but tried.

Here are two menus that have come to this corner. Mrs. Calhoun is evidently a practical old-time housewife you.

Here are two menus that have come that is nourishing and chean it will give me the pleasure to write it out for you.

TEXIE CALHOUN he makes every penny count. Try her menus and if you have any are original and practical send in. I will be glad to give them

Dear Mrs. Wilson—I have a very meager budget to cover the feeding of five in my family. I take three quarts each day and two loaves of ad. This will mount up at the end of the week, besides paying fifty cents in insurance and twenty-two cents ents magazine expense. Church costs me twenty-five cents, too, every Sun-day. I manage on \$16.

My menu follows for a tasty meal,

theap and nutritious: Beef Loaf, With Country Sausage and Sour Milk Gravy Stewed Tomatoes Creamed Onions Mashed Potatoes

Baked Apples With Raisin Centers and Bread and Butter. Sally Lunn

f. three-quarters Apples and raisins (five apples at 20 cents quarter peck)

Radishes bought for two bunches for Chopped beef at sixteen cents per Sausage at twenty-five cents per

Take beef and country sausage, mix and mold into loaf; sear in hot skillet. pour sour milk over and bake for half hour in hot oven. This is delicious.

or big Giffs and little! For big Folks and little! The simple touch that makes the Christmas gifts twice welcome—the charm of a bright Dennison wrapping for every hirstmas gift.

Ultimate Economy There are two phases in the practice of shoe economy.

One lies in paying the very lowest price possible and getting the very lowest quality possible. That's false economy.

The other lies in paying a fair price and getting a pair of Df. Reed Cushion Shoes of the very finest quality. That's ultimate economy.

Why not practice it? We encourage comparison. Better Shees Cannot Be Made

smoked in their skin and cut in thin slices. Now place four tablespoons shortening, in skillet-bacon or sausage drippings are best and cook potatoes chopping. Do not let brown too much now while potatoes are cooking, mince very fine two ounces of country pork or bacon, brown in separate skillet; when nicely browned, leave about four table-spoons of shortening in pan with the browned country pork and add six level tablespoons flour-stir to blend flour

One and one-half cups milk. Stir to blend well and bring slowly to a boil and cook for five minutes— now pour over the potatoes and cook five minutes longer, season with salt and pepper and finely minced parsiav.

Coffee Custard

Place in saucepan: One cup of strong leftover coffee, One cup wilk,
One-half cup of cornstarch, sifting cornstarch before measuring and filling into the cup with spoon, Two-thirds cup sugar

Stir to blend and bring to a boll. Cook slowly, stirring well for ten min-utes. Remove from fire and add: Bread costs six cents a loaf. We use One teaspoon vanilla, nlf a loaf at mealtime. Butter at orty cents a pound. Tea at twelve Yalk of two eggs, Two tablespoons butter.

Beat hard to blend, and then return to stove and cook slowly five minutes. Rinse custard cups with cold water and turn in the custard. Chill and garnish with Caledonian cream.
