Public Beware!

To Consumers of HELMAR CIGARETTES

HELMAR Cigarettes in small quantities are being offered in this market in such damaged condition that they are totally unfit for consumption.

These cigarettes were shipped abroad and have been brought back by traders who are attempting to palm them off on the public, on the well-known excellence and popularity of the HELMAR brand.

These cigarettes bear the White Import Stamp in addition to the customary Blue Revenue Stamp and so can be easily identified.

Examine carefully each HELMAR package before purchasing and accept only those packages that do NOT bear this White Import Stamp.

REMEMBER if you do not take the time to attend this Great Sale and BUY a house-in the future, you will have to pay a profit to those who do take the time to attend and BUY —Snapping up the BARGAINS.

EVERY man or woman has looked forward to the time when, he or she would cease to be a mere rent-payer and become the owner of his or her own home.

To be your own landlord is the only way to protect yourself against high rents. But-a most important consideration is the purchase of a house that will "stand up,"one that has been built honestly, to last for generations - a home in an established neighborhood where any thrifty family should be proud to live.

These U. S. Government-built brick houses that I am going to sell separately, at auction "at your own price," were built wir out regard to cost and of the best materials. The erection of these houses was the first step in the creation of the beautiful residential communities of "Fairview" at Camden, and "Harriman" at Bristol.

Almost every type of house is included in this sale which has been ordered by the United States Shipping Board, Emergency Fleet Corporation. Don't miss this opportunity of a lifetime to buy one or more of these houses.
