Everything on This Page Is a Christmas Gift Suggestion

Each of Us Might if We Tried Hard

find in every one of our friends, or in people we only meet and part with, something to praise instead of criticise.

Instead of so much praising of ourselves let us look sharper to find in others something to praise. Self-praise is "no good."

It is a counterfeit coin, not fit to pass on.

Natural Muskrat Coats Are the Choice of the Younger Set

There never was a season when the natural muskrat skins were so beautifully worked up as they are in these coats of ours. You may have them in long satiny stripes or in mosaic-like patterns; worked into horizontally-striped borders, or with the dark stripes mitered into points. A very favored model is a 36-inch coat with loose ripple back and great shawl collar, the deep border of horizontally-worked skins also forming the pockets. Beautifully lined and finished, this coat is \$200.

A striking coat of the natural black muskrat trimmed with Hudson seal (dyed muskrat) is \$325. An unusually becoming model with wide wrap sleeves and a great choker collar of beaver is \$400.

Lengths vary from 36 to 45 inches. You may choose the very dark "black" muskrat, the more reddish northern muskrat, or the golden and brown striped skin, which is most universally becoming.

A beautiful, effective and entirely satisfactory natural muskrat coat may be chosen here for from \$175 up.

100 Bolivia and Duvetyn Coats for Women at \$75

This is the reason—they are some of our very much higher-priced coats. A number of the bolivias have large collars of beautiful wolf fur, but there is now only one or two of each kind here. Otherwise they would be double or even more.

The coats and wraps without fur are in either bolivia or silk and wool duvetyn and are embroidered or trimmed in other ways. They have collars which permit of their being worn either with or without furs.

In all the good, fashionable colors and really remarkable values for women who can find the coat they want.

(First Floor)

Women's Silk Jersey Dresses Special at \$25

Just arrived, only the price is considerably less than when these attractive dresses were here a short time before.

They have the long coat lines, the panel effects that are so becoming to most women and every one of the four styles is embroidered. The silk jersey is a particularly good, firm quality and the colors are navy, brown or black.

In sizes 32 to 48½ inches.

(First Floor)

Young Women's Bolivia Topcoats at \$20

We have just about 50 of these coats to sell at this low price.

The material is a soft, warm, thick-piled bolivia, in navy, reindeer, black or brown.

The model is an attractive yoke-back one, with high-buttoning collar, buttoned slit pockets, and generous fullness of skirt. It is well-lined throughout and warmly interlined, and is altogether a remarkable coat for this price.

Sizes 14 to 20.

Raincoats and Capes for Girls and Young Women

The girl who goes to school in the rain and the young woman who goes out to business or pleasure in all weathers will certainly welcome so practical a gift as one of these good raincoats or capes.

At \$2.50 and \$3.50 are wide, full-length capes of rubberized sateen with attached hoods. Navy or garnet. Sizes 6 to 14.

At \$5.50 are rubberized poplin capes in navy or garnet with attached hood. Sizes 6 to 16.

At \$6 and \$8 are excellent raincoats of rubberized fabrics in tan or navy, with hats to match. Sizes 6 to 16.

At \$11.50 are splendid little storm coats of tan or navy rubberized poplin, or in brown leather effect. Both have raglan sleeves, large pockets and hats to match. Sizes 6 to 16.

For young women of 14 to 20 there are guaranteed raincoats of rubberized poplin at \$13.50, and of light-weight silky materials at \$16.50 and \$18.50. An English raincoat is duplicated at \$25. And at \$27.50 and \$30 there are smart stormcoats of cravatted covert cloth.

(Second Floor)

A Wonderful Lot of Overblouses at \$3.85

They are crepe, de chine and Georgette crepe, in delightful color combinations—navy and henna, blue and emerald, navy and garnet, brown and tan, black and white, and so on. In brown, however, there are high-necked and long-sleeved waists in three exceptionally good styles which regularly sell at a much higher price.

Any one of them would make a dainty and acceptable gift.
