Special Introductory Prices on "Boyshform" Brassieres
 In Conjunction With a Demonstration of Their Unique Slenderizing Features by Miss Donnell, Representative of the Makers

The brassiere ranks in importance with the corset as the correct foundation of a fashionable appearance. And no other brassieres are quite so successful for all types of figures as the "Boyshform" in achieving the flat, boyish silhouette now in vogue.

Fashioned in serviceable or dainty materials—some quite as lovely as the finest camisole—cut in one piece and "fashioned" into shape under the arms.
