HOPE CRIME SURVEY AUTO BURNS MYSTERIOUSLY

A large high-priced touring car bearing Pennsylvania license No. 782, was mysteriously destroyed by fire about 9:30 o'clock last night in Holmes street near Pennypack Creek.

Some one in the neighborhood seeing the car ablaze called the fire engines, but the car was past saving when they arrived. No one was in sight to claim the automobile and the police are try ing to locate the owner. Several other cars have been destroyed

Narcotics So Plentiful Prices Decline-Fear Increase in Addicts as a Result

"RING" IS FOUGHT HARD

Recent sharp declines in the prices of S. Graham, one-time District Attorney narcotic drugs have brought about a of Philadelphia, and George Wharton yet more serious state of affairs in the war between the Government and the hidden powers behind the illicit drug

> Secret importations of drugs have eached such an unprecedented figure that the great quantities on hand have forced the prices down, thus putting the stuff within the reach of many to whom its cost before denied it.
> Assistant Director of Public Safety

Tempest, who has always been a leading figure in the fight against narcotics, has revealed some facts about the un-derground traffic which throw a new light upon the situation as it exists in this city and nearby.

The business, one might almost say the profession, of supplying drugs to the "smeckers," or users, is on a highly organized basis. Powerful syndicates exist, with branches in most of engaged in similar practices, and that its existence, 38 per cent were disposed it was suspected they carried contra- of in seven days, 32 per cent in fourthe principal cities of the State, and band arms while fishing. The statement teen days and 93 per cent in ninety make arrangements for its transporta-

tion to this country.

These syndicates have plenty of A prompt disposition of cases was agents are always well supplied with it. justice when they are caught,

This traffic has assumed such prortions of late that the former prohibitive prices for cut more than half. Where formerly morphine and cocaine cost \$35 an ounce they may now be had for \$15 an ounce, wholesale, which brings down the final cost to the consumer to \$35 an ounce.

Herein lies the danger of the situation, for it is feared that the relative cheapness of the drug will result in a
