NOTICE!

ON JANUARY 17, 1922, at the annual meeting of the stockholders of the Earn-Line Steamship Company, there will be presented a resolution which was adopted by the Board of Directors at its monthly meeting, December 13, 1921, hat the Earn-Line Steamship Company be dissolved. When the resolution is approved by the stockholders, the liquidation will begin at once, in accordance with recognized business procedure. The Company is solvent and its capital unimpaired. All accounts, both payable and receivable, shall be promptly liquidated. The reason for recommending the dissolution of the

Company is based wholly on the fact that, in the opinion of its officers and directors, shipping conditions are so adverse in the trade routes it operates that the Company cannot profitably continue them, and no early improvement in these conditions is anticipated.
