Pay \$10 And the Instrument Goes Home Promptly You Agreeing to Pay Balance at Rate of— **Weekly \$2.50**

Supply of Music Rolls can be included in the arrangement. Some are timid about entering an obligation running so long. To meet that fear, we add this provision—

We Send the Player-Piano Home on a First Payment of as Little as \$10

Then you pay the remainder at rate of \$2.50 weekly. This would give you 152 weeks to complete payment. Suppose at the end of a year you decided to pay the balance. You had paid \$10 at purchase, and 52 times \$2.50—in all, \$140.00. The remainder would be \$255—equal to 102 weekly payments. The money would earn us 6 per cent. for the average time of 51 weeks, and you would be allowed \$15.25.

Under the Gimbel plan we have distributed over two million dollars' worth of pianos, including the original Knabe; the Hardman, the piano of grand opera, and other instruments of the inner circle. If you cannot visit the Store, will you fill in and mail us this coupon?

You Buy for Less Money in a Gimbel Club Than the Same or Equal Instrument Can Be Bought for Anywhere Else, Even for Cash.
