White House yesterday the delay in Congress is having no appreciable effect on the ability of the Government to Congress is having no appreciable effect on the ability of the Government to continue its settlements with the roads. To date \$135,632,700 of car trust certificates, taken by the Government during the period of Federal control, have been sold at par with accrued interest and the money used to adjust have been sold at par with accrued interest and the money used to adjust railroad accounts arising from Government operation of the lines. The new year, Mr. Harding believes, will set disposal of hundreds of millions more certificates, which will give the Government the funds with which to meet the refunding situation so as to cover the refunding situation so as to c the refunding situation so as to cover all necessities without asking for addi-tional authority or additional funds. The President is not overlooking the

importance of America's foreign trade when he views the forthcoming years with no small amount of optimism. Reports from the Department of Com-merce which have reached the White House are not unfavorable and the Chief Executive expects appreciable development in American exports as the re-sult of the ship remuneration project which will be presented to Congress by the President about February

Recent suggestions that the Administration was preparing to abandon its bill for refunding the allied debt and refer the question of foreign loans to an iniernational conference to be called in the near future were denied officially at the

passed the House gives the President and the Secretary of the Treasury authority which they regard as ample and it is the hope of the President the measure will not be altered in the Senate to limit the period of the and fix the interest rate, as has been

beside a man, on the opposite ride of the street, but he did not give the watter much notice even when they stopped in an apparent argument. saw the young woman quickly cross the sireet. She waved her hand and fairly nonneed upon him with a "Why, Marmaduke dear, how glad I am to see you! It seemed to Bob as if in all his life he had never seen any girl nok so entirely charmed to clap wes on him, yet he was sare from the first that he did not know the young woman. She was shaking hands with him a looking archly, almost ardently, seemed to Bob, from eyes very deep and tender. It was too dark to see just what color they were. He didn't know her, and Bob felt that she knew he did not; still if she wanted to pretend that she did, what harm?

Bob remembered the first resolution given by Peggy. "Not to that." There would have been satisfaction in keeping them all, but still gentler satisfaction. taction in becoming acquainted without an introduction with a girl of such ap-

she said walking beside him and laugh-ing gayly. "Of course, you were on

be so glad to see you. Marmaduke—"

And then in an aside she said, "Marmaduke Butler's your name."

She had heard steps behind them, and homeward. It was a quarter of seven

She had heard steps behind them, and then Bob realized that the man who had been talking to the girl on the opposite side of the street had crossed and had caught up with them.

"Say, who are you?" said the young man, well dressed, but with his had drawn far down over his eyes.
"Why, I'm Marmaduke Butler—I think," stammered Bob.
"Well, you can stop annoying this lady," said the stranger. "She's a friend of mine and I won't stand for any strangers talking to her." The man pushed his way, trying to walk between the girl and Bob. "You never saw her before in your life, did you? You don't know her name, do yon?"

The girl had crossed in front of Bob and was hanging on his arm. "Tell him you are an old friend," said Rob with a girl. The girl had crossed in front of Bob and was hanging on his arm. "Tell him you are an old friend," said Rob with a girl to myself, and I shouldn't wonder if you'd better remember that, because yon'll have to see Sally's cousin home. You see, she's the extra girl tonight. And Sally and and was hanging on his arm. "Tell him you are an old friend," said Rob with.

"I'm an old friend," said Rob with. Then the reached home.

"Bob in mucl contaision them, she homeward. It was a quarter of seven them he reached home.

"Bob in mucl contaision them, homeward. It was a quarter of seven them he reached home.

"Bob in mucl contaision them, homeward. It was a quarter of seven them he reached home.

"Bob in mucl contaision them, homeward. It was a quarter of seven them had caught up or resolutions the first thing," chirped resolutions the first thing," resolutions the first thing, "I've firted with a girl, honeked a man over, I've felt as if I get half a chance I'll be engaged before 1924. Say, Peggy, Sally lives somewhere in Bedford street, doesn't shouldn't wonder if you'd better remove the porter of seven when he reached home.

"You never a was the girl on the young the first thin

business is in sight for 1922. So confident are the I'resident and his advisers that the railroads are in a fair way of working out their own problems, that the Administration regards with equanimity the failure of Congress to not upon pending legislation for railroads' indebtedness to the Government. So the Government. It is a stranger of the railroads' indebtedness to the Government. So the Government is a stranger of the railroads' indebtedness to the Government. So the Government is a stranger of the railroads' indebtedness to the Government. The shook off the girl's hold, his first clenched and his muscles tightened without volition. The next that the telephone bell rails. Peggy was absorbed for many minutes. She burst in upon Bob in the dining room, where he was finishing dinner alone. "Bobs hurry, I am afraid you'll have to go get Sally and her cousin. Burton James was going to meet them here and they were coming alone, but the cousin—Madge is her name—had the most awful experience, perfectly minute he had struck out toward the minute here. butting in-you won't mind, will you?" minute he had struck out toward the awful. First a man sitting beside her annoying stranger, and with the third in the street car said he remembered her:

> faster to keep ahead of the undesirable one, who was following them swiftly in the gloaming.
>
> He stood with her on the perch of the house marked 26 until a servant came to the door. "May I see you again?" He was reluctant to let the door separate them.
>
> "Oh, no," said the girl. "It would seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertinent of the seem as if I had been very impertance. The seem as if I had been very impertance into a romance, and long before the year was out announcements were made of the engagement of Madge and Bob. Peggy didn't find it hard to forgive Bob for breaking his New Year's resolutions, but she always insisted that it would have been so much more romantic if Madge had married the hero who knocked her annoyer down on New Year's resolutions.

SHORE LAD INJURED

Son of Traymore Assistant Manager

Hit by Automobile

His boll looked over the list of resolutions Peggy land made out for him, several three with less while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house seem left the house hat morning he had evanised Peggy to keep them; that is, if he could.

Bob looked over the list of resolutions Peggs had made out for him, several three while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are, and before he left the house while he are nothing the seconds.

Hit by Automobile Atlantic City, Dec. 28.—Struck by on nuternobile while riding a bicycle to front of his home at 215 Mooris avenue.

McLaughlin, eight-year-old son of Daniel McLaughlin, assistant manager at the Traymore Hotel and one of the best-known hotel men in the East, was taken to the borpital today with fractured rib and a possible fracture The youngster was struck by a ma-chine driven by Joseph Mail, of Vineand. Mail immediately stopped the nucline and with his father, who was

riding with him. lifted the how into the car and rushed him to the city hospital. the sugrencered to the notice and was held under \$1000 bail to await the outcome of the lad's injuries.

BRAZIL SENDS GUNBOAT

Missoss Sent to Protect Nationals Against Peruvian Rebels Rio de Janeiro, Des. 28. The Bra. Larent charm.

"I thought it was you. Marianduke."

"I thought it was you. Marianduke."

arlian Ministry of War has ordered the per Amazon "to guarantee the rights of Brazilian citizens in that locality which are threatened by Peruvian revolutionists in the Iquitos district."

This is the second Brazilian gunboat to be sent to the same region for the same purpose.

To guarantee the rights in gayly. "Of course, you were on your way to our house. We half expected you, but I didn't know you would come this way." It seemed to Bob that the girl was talking very loudly. "Father and brother are at the house on account of the holigar. They will Concrete **Road Building**

62,000,000 square yards of Concrete highway pavement -equivalent to 6000

People demand roads which give the greatest measure of service, saving and safety. That is why highway officials everywhere are building Concrete hard-surfaced roads. They know from experience no other road performs like Concrete.
