MRS. VANDERBECK WON MOST HONORS IN WOMEN'S GOLF

Ex-National Champion Played Brilliantly to Win Two Titles and Several Tourneys

By SANDY MENBLICK Philadelphia's golf district for the season of 1921 revolves mostly around Mrs. Clarence H. Vanderbeck.

She is so far ahead of the parade that it's hard to form the rest in line.

If there were any question about the Cricket Club star's right to be ranked No. 1, her winning the Philadelphia championship would virtually settle the question.

Mrs. Vanderbeck went right down to the national championship at Hollywood before she was beaten in match play.
