Factional Fight in Chamber of Deputies Galleries Quelled by Armed Force

FIGHT OF LONG STANDING

By the Associated Press Mexico City, Dec. 30,-The Mexican Chamber of Deputies was invaded by called in to quell fighting in the gal-leries between factions sympathizing with the Liberal Constitutionalist Party and the Social Democratic bloc, Whips and cases were used by the combatants in the struggle, which arose over efforts to win control of the permanent commission which is to act during the re-

Election of this commission has been expected for the last fortnight, and the galleries at each session have been crowded by the sympathizers of the contending groups. The Liberal Consti tutionalists repraesent moderate political opinion, while the social democratic is credited with radical tenden

Hooting and shouting in the gal leries have made the sessions almost impossible, and last Menday Edouardo Vasconnelos, president of the chambe ordered the police to clear the gal-leries. This ther were unable to do, the crowd remaining until the sitting was finally adjourned. Afterward, a fight took place outside the chamber between the two groups, which it required troops to quell.

Senor Vasconcelos costecular asked President Obregon for armed forces to maintain order, and the latter placed 200 soldiers at his disposal. The galleries were crowded at an early hour and the usual disorders began, whereupon the soldiers entered the chamber and stood at attention for a half hour. Members of the chumber protested at the military display, and the troup, were ordered to retire to the corridors. Discussion of the budget then was continued, until there came a sudden

invasion of the galleries by followers of the bloc armed with lishes are sticks. They attacked the Liberal Con-stitutionalist sympathizers and a hand to-band fight ensued, in which the at tackers were victoricus. The soldiers tushed in and intervened, but the bloc orces remained triumshautly inside

LORENZ DEFENDED

Now Mrs. Mitchell, She Denies Charge of American Who Also Treated Her

HIPS ARE STILL IMPERFECT

Chicago, Dec. 30.—Mrs. John J. Mitchell, Jr., formerly Lelita Armourt, was asked last night to make a statement regarding the result of her treatment eighteen years ago by Dr. Lorenz "I cannot say that a perfect cure has been effected in either hip," was the "But the hip treated by Lorenz is far better than the other one which he could do little with because it had been too badly mishandled, be said. I myself believe that had it not been for the work done before he was called on my case he could have effected a complete cure.

"Dr. Lorenz does not claim to be 'a miracle man. He is simply doing the best he can. I believe he has been too much exploited by those who are handling his finances. He has been given too much publicity, which I am sure he does not want and does not appreciate. He is doing all he can under circumstances.

There is, of course, much jealous; among dectors, and they are not eager to see great laurels go to a foreign dector. Personally, I am very foud of Dr. Lorenz and I feel that if it had no een for him I would not now be getting much pleasure out of life.

Dr. Riddon is esteemed as one of the foremost orthopedic experts in the United States. He operated upon Miss Armour when she was three years old and was said to have been successful with one hip. The other hip presented difficulties which occasioned the suggestion that the famous Xienna surgeon be called into the case. The results in that case were described by Dr. Riddon without referring by name to the patient.
