

# RUNYON LOOMS UP AS N. J. GOVERNOR

### Republicans Also Expected to Agree on Frelinghuysen for Senatorial Race

### HARMONY AT CONFERENCES

Special Dispatch to Evening Public Ledger Atlantic City, Jan. 2.—New Jersey Republicans will more than likely harmonize on William N. Runyon for Governor and Joseph S. Frelinghuysen for United States Senator. This is the surface indication of friendly confabs and semi-conferences held at the shore yesterday by politicians, big and little, coupled with a statement from President Mackay, of the State Senate, rather implying that he has abandoned serious consideration of the governorship.

"New Year's Day and Republican harmony" was the way it was put by one politician who had observed United States Senator Edge and State Senator Runyon arm-in-arm on a Boardwalk stroll. "Uncle Davy" Baird, of Camden, who has shown a strong preference for Runyon, came here yesterday and was considered in connection with the meeting of Edge and Runyon. With the presence here during the first of the week-end of Senator Frelinghuysen and Senator Mackay, all factors in the political game of chess for war or peace, it must be admitted that the prospects for complete harmony appear bright.

"I am a firm believer in always doing what is best for party harmony," announces Mackay, of Bergen, chief opponent of Runyon, in his significant prepared statement. "I feel that I shall continue as a candidate, but will not impose upon the generosity of my friends by asking them to contribute. I do not want to jeopardize the party in the State by making a bitter factional fight which might have its after effects that would be exceedingly unfair to any nominee."

This is regarded in the political circles as a polite notice of withdrawal, although the Bergen Senator does not actually do so, and the supposition that Runyon is the man to benefit is based upon the knowledge that, after addressing Kiwanis here on Thursday and leaving the city to fill a speaking engagement elsewhere on Friday, Runyon returned to Atlantic City on Saturday, and is supposed to have gone into conference with Senator Frelinghuysen and others at the hotel where Mr. Runyon remained after the Kiwanian meeting.

Senator Edge, popularly supposed to have favored Mackay or Attorney General Thomas F. McCran, of Passaic, came to the resort yesterday for his annual New Year's dinner to the party of newboys, and during the latter part of yesterday he is known to have met with Runyon, and is said to have conferred with former United States Senator Baird and several of the State Senators and Assemblymen. While McCran was regarded actively in the race two months ago he came out for Mackay for Governor at a meeting in Hackensack about two weeks ago.

Senator Frelinghuysen left this city yesterday morning. On Saturday Frelinghuysen conferred with Mackay and others and from these conferences there emanated a report that former Assemblyman Walter G. Wirtz, colleague of Senator Mackay in Bergen, was to receive the appointment of Federal District Attorney and as a result, Mackay is withdrawing from the gubernatorial race in favor of Runyon.

Jersey City, Jan. 2.—Pierre P. Garwood, Prosecutor of Hudson County, has announced that unless State Senator William B. Mackay, Colonel Austin Colgate or former Judge Robert Carey, of the Common Pleas Court, would enter the race for the Republican gubernatorial nomination, he would no longer remain as the active head of the Republican county organization.

"I know nothing," he said, "about any Edge-McCran Mackay-Runyon harmony plan. If Senator Edge is working toward such a plan, it will not affect my attitude toward the Runyon candidacy in the slightest degree. I am for Senator Mackay. If he will enter the race, and in the event he does not I shall gladly support either Colonel Austin Colgate or ex-Judge Robert Carey for the nomination for Governor."

"If neither of these men will enter

the race, then it is my intention no longer to remain as the active head of the Republican organization in this county, and I shall decline further to engage or take any part in political matters except in my home city.

### PERU RENEWS DEMAND

New Note Calls on Chile for Tacna-Arica Arbitration Santiago, Chile, Jan. 2.—(By A. P.)—Renewed demands that the Peruvian-Chilean controversy over the provinces of Tacna and Arica be submitted to arbitration are contained in a note received here from India. The Peruvian Government asserted that an arbitrator should be appointed to decide whether the treaty of Ancon, by which Chile took jurisdiction over the two provinces, had been violated, and how violations alleged in the Peruvian note of December 23 might be repaired. Peru's communication on December 23 accused Chile of having caused the expulsion of Peruvians from Tacna, Arica and Tarapaca; occupation of part of the province of Tarata, in

Peru; incorporation in Chilean territory of the horca-producing region of Chilcaya and the retention of part of the guano revenue from the Lodos Islands.
