Proposal May Hold "Catch" on Fare Rate, It is Felt by Some

HALL SEES SOLUTION

The latest P. R. T. proposition for the operation of the Franktord elevated line will be examined into minutely this afternoon at a meeting called by Mayor Moore, Solicitor Smyth, Director Twining, of the Transit Department: Richard Weglein, president of Council, | and others will be present.

Mr. Mitten's latest proposal, it is said, will be most carefully scrutinized before it receives the O. K. of the city's representatives. It is pointed out Mr. Mitten offers to operate the line "at the present rate of fare," giving up all demand for a rental payment for use of the Market street subway by for use of the Market street subway by Frankford "L" cars. Previously the P. R. T. demanded a yearly rental of \$606,000 for use of the subway.

A "snake" is suspected by the city's Portraits of Justices Brown and

representatives, according to report from trustworthy sources. In his latest offer Mr. Mitten's "present rate of fare," it is said, might tie up the city to the seven-cent fare indefinitely. four-for-a-quarter fare automatically ends as soon as valuation proceedings before the Public Service Commission are completed, and the commission arrives at a valuation of the P. BAN BEECHNUT SALES PLAN

Are in Restraint of Tradee

Washington, Jan. 3.—(By A. P.)—
The practice of the Beechnut Packing Company in its selling methods was found by the Supreme Court today to be in restraint of trade and in violation of law. The court found by the Supreme Court today to be in restraint of trade and in viola-tion of law. The court reversed the decision of the lower courts and held the Federal Trade Commission was within its rights in ordering the com-pany to discontinue its practices. The methods of the company, Justice Day dated in delivering the opinion, sup-

pressed competition.

Justice Day stated that the order of Campbell said:

"That's a fine change. I've been getting lemons all my life."

City Treasurer Watson also had many callers. He is chairman of the many callers. He is chairman of the many callers and work of the company were unconditional, with no company were unconditional, with no restrictions as to resale prices, but that it refused to continue business with those who did not maintain the prices it suggested.
