Letters to the Editor

Dr. McKenzie a Good Sport
Sir—Will you please pass on to the editor who connected the article in Tuesday night's LEDGER my congratulations on his account of my recent interview.

Favors League Island Fair Site
Sir—I have followed the series of articles in your paper explaining the different proposed sites for the World's Fair.

I heartily agree with John T. Haines' comment of January 10 on these articles, that only two sites should be considered, namely, the old Centennial grounds and the League Island Park site.

Imagine the delight of a man who had gone out of his way to help a young lady in a bad way, and I am sorry that I would not have been there to see him.

Which is the More Desirable?
Sir—As a constant reader of your People's Forum, and a strong believer in the version of "right is might," I wish to criticize Mr. Yeager's opinion on the Debs pardon.

Those Chi. (?) Guys
Sir—I have read the two letters from that Chi. guy, also his pal, Mort Haines' letter, and at first I felt inclined to let the matter rest on a second thought, I do not believe they should go unchallenged.

Is Uncle Bim Saved?
What Would You Do?
Sir—If you were a rich Australian would come your way and buy you a car and purchase diamonds for you and you felt sure that you could top with him on account of his being in his dotage, would you not be inclined to make all of the use of him you possibly could?

Hates Gold-Diggin' Vamps
Sir—Here goes the 2,368,500th letter that has been written to you about Bim in the last week, but on the level if you let Bim hook up to that gold-diggin' widow, I'm off Mr. Smith for life.

Praises Our Courteousness
Sir—I am but recently returned from a visit to your city and read, while there, many letters in your column for and against Philadelphia as a City of Brotherly Love.

Philadelphia is "Horny"
Sir—To those of your readers who are strangers in this city and who are inclined to criticize Philadelphia as being in a bad way, allow me to say a few words in defense of this great City of Brotherly Love.

Philadelphia is a historical city. It is our cradle of Liberty, and I am sure we are all proud that Raymond and Mort were not reeled in this Chicago which I have ever read was that the biggest part of it was burned down about fifty years ago.

Philadelphia is living up to its name of "City of Brotherly Love."

Enjoys Old Philadelphia Pictures
Sir—I feel I must express to you the great pleasure it gives me to view the photographs of "Old Philadelphia" now being exhibited through your valuable paper, the EVENING PUBLIC LEDGER.

Need of Helping Hand
Sir—I was interested in reading in your People's Forum recently several letters pointing out to your readers the need of extending the helping hand to those young men willing to grasp it.

Philadelphia Social Register
Sir—Kindly inform me through your column the name and address of the publishers of the Philadelphia Social Register and mention some specific central location at which it may be consulted by the public.

About Cassie Chadwick
Sir—Please tell me something about Cassie Chadwick, the famous American woman swimmer. Is she still in prison?

Philadelphia, January 5, 1922. W. S. C. Cassie Chadwick, the woman swimmer, was arrested in New York December 5, 1904, in connection with the failure of the Citizens' National Bank of Oberlin, O.

Bim Needs Home-Loving Wife
Sir—I have watched with interest the proceedings of the Gump family, and we think there is a way to solve Uncle Bim's problems.

"The Apostles' Names"
Sir—I am very anxious to secure a little bit of verse on the "Apostles' names." I will appreciate it if you can publish it. SAMUEL T. SLOTTOR. Philadelphia, January 9, 1922.

These are twelve apostles' names: Peter and Andrew, John and James. They are the apostles four. Who were called from Galilee's shore. The others are not so easy to find. But Philip and Bartholomew were of the same mind.

"E. C. E."—An average of about 2000 people emigrate from the United States to Canada every month.

"D. A. S."—We cannot discuss in the People's Forum the questions you ask us regarding the Ohio Subsidy Bill on account of our limited space, and I would refer you to Government publications and magazine articles to be found in the public libraries. The latter you can locate through Poole's Index.

"T. B. E."—Maud S. was eleven years old when she made a world's record of 2:08.8 minutes and eight and three-quarters seconds.

"J. Don Diaz"—It would not be lawful for you to translate a copyrighted book or article appearing in a newspaper into another language unless you secured the consent of the author or publisher. "I Cannot Sing Tonight"
Sir—I will appreciate it very much if you will print the words of the song, "I Cannot Sing Tonight," in your People's Forum. MRS. L. E. LYCAB. Camden, N. J., January 6, 1922.

"I CANNOT SING TONIGHT"
I cannot sing that song tonight. For in its words and music dwell. While all your hearts seem gay and light. 'Tis no a sad and fearful spell. For him when all was hope and truth. Before I knew that time would fling. One shadow o'er my happy youth. I would not bring my sorrow here.

Amid this gay and happy throng: I would express the rising tear. Then ask me not to sing that song: It tells how hard it is to part. From one to whom you fondly cling. The world and echo in my heart. That song I cannot dare not sing.

Colonel Charles Young
Washington, Jan. 13.—The death of Colonel Charles Young, military attaché at Monrovia, Liberia, was reported yesterday in a cable to the War Department. Colonel Young was the highest ranking Negro officer in the United States Army. His home was in Xenia, Ohio.

Fleischmann's fresh yeast increases the action of the intestines

HUNDREDS of men and women have already found freedom from laxatives by eating Fleischmann's fresh yeast. Doctors are now agreed that proper elimination of waste matter should be brought about by food. One doctor comes right out and states plainly that the indiscriminate use of cathartics is one of the causes of constipation.

Ten Reasons why you should look for the name

Yellow Cab Co.

on the door of the cab you take

1—BECAUSE there are upwards of thirty imitation Yellow Cabs on the streets of Philadelphia. Every genuine Yellow Cab has this Company's name on its door. Imitators dare not use our name.

2—BECAUSE cabs bearing the name "Yellow Cab Co." on their doors, have back of them the organized responsibility of this Company. The imitation yellow cabs do not.

3—BECAUSE when you take a cab with this Company's name on its door, you are sure that you will be charged strictly according to this Company's rate schedule which is the LOWEST IN PHILADELPHIA.

4—BECAUSE the drivers of cabs operated by this Company are bonded and are schooled to be courteous and obliging, and to carry you safely.

5—BECAUSE if you have any complaint arising from the service rendered by a Yellow Cab bearing this Company's name, you can count on a prompt adjustment. Our address is 1208 N. 31st Street. The imitation Yellow Cabs are owned by individuals living in all parts of the City.

6—BECAUSE if you forget an article when you leave a Yellow Cab Company cab, it will be returned to you through our Lost & Found Department. The imitation Yellow Cabs maintain no such departments.

7—BECAUSE Yellow Cab Company was the first in Philadelphia to reduce rates, give you new cabs and keep them clean, and wants your encouragement in its efforts to improve transportation facilities in this City. Our imitators have no such claim to your support.

8—BECAUSE despite this advertisement, many persons will unwittingly take imitation Yellow Cabs, thinking that they are the genuine Yellow Cabs operated by this Company. If you know the difference, encourage Honest Service by using only the genuine.

9—BECAUSE we shall express our appreciation of your support by increasing our equipment as your needs require, and by still further reducing our rates as the volume of your business grows.

10—BECAUSE the name "Yellow Cab Co." assures you of the Best Service in Philadelphia at the Lowest Cost to you.
