kept thoroughly clean. In order that you

batch of Borden's Evaporated Milk before it is shipped to your grocer. Borden's Evaporated Milk always measures up to these special standards. You know it reaches

your pantry in the same state of perfection.

How your grocer serves you The production costs of Borden's Evaporated Milk

are necessarily high in view of the extra precautions taken in its manufacture. But American housewives quickly learn which brand to ask for. And nobody can afford to take chances on milkthe most essential human food.

Your grocer knows this and while at times he pays more for Borden's than for many other brands, he is seeking always to supply his cus-

tomers with Evaporated Milk of established superiority. He sells Borden's to you at no higher price. You get Borden quality at the very same price you would pay for ordinary brands.
