

Camden Basketball Fans See Second-Half Championship With Purchase of Oscar Grimstead

GRIMSTEAD SHOULD AID CAMDEN IN 2D HALF

Former Scranton Center Purchased by Skeeters for Title Drive; to Play Trenton

TERMINAL DEFEATED

THE second half of the Eastern Basketball League race promises to be keenly fought. Philadelphia fans are certain of seeing fast games in Camden, with the Skeeters working on all eight to win the title.

The cage moguls gathered last night to barter for the players of the Phillies and Scranton. Sealed bids were received for three men, Camden getting Oscar Grimstead and Coatesville landing Elmer Ripley and Raymond Cross.

The teams are free agents, thus placing a number of good players on the market, including Frank Briggs, Nick Harvey and Skeeters' Wright.

The Reading team will in all probability land a couple of these.

When the Phillies and Scranton were officially dropped from the circuit it was the passing of big-league basketball in Philadelphia, the first time this has happened for many years.

Once Had Three Teams

With the organization of the league ten years ago three teams were in the city—Jasper, Duquesne and Trenton, which was later changed to Germantown and then Greystock. Now the fans only have Camden. They are all rooting for the Skeeters to come through with the second-half title.

When it was announced that Camden had secured Grimstead, Manager Bill Kennedy immediately endeavored to get the other players. He succeeded in getting Ripley and Cross to Rochester. If he is secured he will be on hand for the big game tonight with the Trenton five.

The Phillies and Skeeters have clashed four occasions this season, Camden winning both games at home, and Trenton doing the same in the Jersey capital.

With big Dave Coers back, the Skeeters, who were playing at top speed, the second half promises to be one of the keenest battles in the history of the league.

Peanut Boy Finds Cage Players Rough

DURING the excitement at Yonah Hall last night as the game between Philadelphia Terminal and American Railways Express was about to end a head-on collision occurred between the players and a peanut boy.

The youngster was going down the side of the hall, when a half-dozen players crashed into him with such force that his basket was smashed and the peanuts went flying over the floor.

Tears dimmed the youngster's eyes as he tried gamely to gather in his scattered wares. Caddy Franklin, president of the league, but chased the stock and called the youngsters in the hall to scramble for the peanuts at the end of the game.

ATHLETIC PHENOM MAY ENTER PENN

Tays, Western Schoolboy, Does Hundred in 9 4-5 and 440 in 49 Seconds

STARS IN FOUR SPORTS

THE University of Pennsylvania has been without a four-letter man for many years, but may have one within the next two seasons if Jimmy Tays, sprinter, quarterback, guard and shortstop, enters the University in February, as he has intended.

Tays made an effort to enroll as a student in the Wharton School in the fall of 1919, but was shy on the necessary scholastic credits. Since that time he has spent a year at Blair Academy, and during the last fall spent some time at State College. He expects to have sufficient credits in February to become a Penn student.

Tays is credited, according to his statement, with having run the 4-5 seconds in the century and 440 seconds in the quarter while running in the Middle West. He played shortstop on his high school team, was a forward with the quintet and quarterback on the football team.

Gained Fame in 1910

He first started to gain fame as a schoolboy runner while attending Tolona High School, just outside of Chicago. In June, 1910, in the Central A. A. U. championships, he won the 100 in 9.4-5 seconds, the fastest time ever made by a schoolboy runner in that section of the country.

In June, 1921, Tays sprang into fame as a quartermiler, when he ran the 440 yards in 49 seconds flat in the tryouts for the National A. A. U. meet, held in the stadium of Northwestern University. This earned him a place on the team. In the finals of the A. A. U. championships in 1919, Tays survived the heats and semi-finals and managed to finish fifth in the final.

Tays won the broad jump in the Meadowbrook games here in 1919, with a leap of 22 feet 2 inches. Shortly after the meet he entered Blair Academy. Last June he graduated from the prep school, and entered Pennsylvania Agricultural College, where he did not appear to the athlete and he decided to change colleges to prepare for a business career.

During the war Tays was a member of the S. A. C. children team at the University of Chicago, playing regular quarterback throughout the season. He weighs 158 pounds, and is twenty-one years of age.

While at Tolona High, Tays was captain and shortstop of the baseball team, and played forward on the basketball team.

Should Tays be able to enter the Wharton School, he would be unable to compete for Penn for a year due to the one-year residence rule.

PHILLIES WILL BE BUSY DOWN SOUTH

Team May Play Series of Games With Washington in Training Camp

MEET ATHLETICS HERE

THE Phillies are all set for the 1922 training camp season at Leesburg, Fla. The players will leave this city during the first week of March, and a busy schedule of exhibition games has been arranged between that time and the opening of the National League season in this city on April 12 with Boston.

Secretary William J. Shetline received a communication from Sam Payne, the groundkeeper, who is now at Leesburg, in which the veteran diamond maitreid vouches for the information that the Phils are in for the time of their lives when they reach the Florida training camp.

Payne says the Phillies are all hot up over the coming of the big leaguers and are working night and day to make the event a success. Sam has all the wrinkles ironed out of the new diamond and the Mayor is so enthralled over the proposition that he is spending the progress of the work.

Will Be Busy

From their arrival until April 1, when the team starts on the journey north, games will be played with Daytona, Orlando and Lakeland, while contests are yet to be arranged with teams at Eustis and Tavares.

The Washington Americans are training at Tampa and in all likelihood a series will be played with Manager Clyde Milan's team. The games will alternate between Leesburg and Tampa. Tampa is about 100 miles from Leesburg.

The exhibition games on the journey north are as follows:

April 1—Columbus, N. C.

April 4—Baltimore, Md.

April 6—Baltimore at Winston-Salem, N. C.

April 7—Henderson, N. C.

April 8—Newark International at Newark, N. J.

The signed contract of Billy Black, the up-and-coming pitcher, is still in effect, and he will be playing for the Phillies, and a brilliant future is predicted for him. Black is being trained at the Portsmouth, Virginia League, team last year.

Justice Edward G. Whitaker, of the New York State Supreme Court, has denied the charge that he is a "trustee" of the National Exhibition Company (the Giants) and that he is a "trustee" of the Philadelphia National League team. Mr. Whitaker is understood to have organized the Philadelphia National League club with a view to the purchase of the Philadelphia National League club, but as far as is known no official of the Philadelphia National League has changed his decision suspending the player.

The Chicago Cubs apparently have not given up the hope of obtaining Eddie Roush from the Phillies. Roush is understood to have been traded to the Cubs by the Phillies for trading Charlie Deal and Arnold Stutz for the Phillies star.

HUNTZINGER STARS IN PENN VICTORY

Cages Seven Field Goals as Red and Blue Drops Bethlehem-ites, 30 to 15

FRESH SUBDUE W. CATHOLIC

WALTER HUNTZINGER, hero of the famous four-extra-period game with Princeton two years ago and generally rated as the Dick Merivell of the Penn basketball team, proved an outstanding star in another game last night when he arched in seven double-deckers against Lehigh in a contest won by the Red and Blue, 30 to 15.

Hunts was all over the floor last night; although guarded closely by Springfield, the Lehigh football star, he broke loose on seven occasions for field goals. Five of the number were made while the visiting guard was hanging off the Penn youth whose long reach and eagle eye cheated the hard-working Springfield.

Aside from Huntzinger, the Penn team last night failed to show championship form. Passes were lost, throws were made without the usual zip and accuracy, while the general floor work was below the Penn standard. This probably was due to the fact that Lehigh was not taken seriously. In spite of the score the Bethlehem college players played the game as if it were the floor and had they been a little accurate with their shooting might have a higher total to match against Penn's. They had numerous chances, but they did not play them false at the critical time.

Foul Shooting Poor

Bill Grave, after showing poorly from the fifteen-foot mark in the first half, came to in the second and tossed in four straight. In the first twenty minutes, his poorest average of the season to date. He had six straight misses included in the total. Grave snared two field goals during the second half, but he did not play them false at the critical time.

Light sent into the game in place of Hopper when the latter was sent to the side lines via the personal foul ruling, was the bright light of the Lehigh play. Smaller than Pos Miller, Light showed a brilliant brand of basketball, getting two field goals in the second half.

West Catholic Sees Freshmen

The real surprise was in the freshmen player, West Catholic, with Jimmy Mullen in the stellar role, gave the freshmen their hardest battle of the season. At half time the score stood 21 to 18 in favor of the yeomanly, turning out several championship teams. He is one of the best-informed soccer officials in the game in this country. He was a star during his playing days.

GOLFERS CONSIDER FRISCO

Pacific Coast May Be Scene of 1923 Amateur Championship

San Francisco, Jan. 18.—San Francisco is being considered for the 1923 amateur golf championship tournament of the United States, according to a telegram received from J. Frederick Byers, president of the United States Golf Association.

Byers was asked by Loring Pickering, associate editor of the San Francisco Bulletin, to have San Francisco considered for the amateur or open championships next year.

The matter is in the hands of the Committee of Selection of Courses. Mr. Byers' telegram said: "You may rest assured that San Francisco will have every consideration. Personally, I believe that if practicable, it would be a splendid thing for the game of golf to hold the championship on the Pacific Coast."

FOUR IN ROW FOR PURPLE AND GOLD

Logan and Clifford Star in Close 33-30 Victory Over Villanova Prep

SECOND TEAM ALSO WINS

Catholic High traveled out to Villanova last night and captured its fourth straight league name, taking the Villanova Prep five into camp in a nit-and-tuck battle by the score of 33 to 30.

This field goal was followed by a 29 to 29 score. Mr. Nally, the Purple and Gold center, got the ball on the jump-off in the middle of the floor and shot the ball squarely through the net.

Clifford and Logan, the Purple and Gold stars, followed in quick succession by double-deckers by Logan and Clifford and gave the Catholics the lead by 29-28. Kane and Vail caged field goals right after and Villanova was in a shot from the lead.

Again, with two minutes left to play, Bill Logan came through with his fourth field goal of the evening, and this was followed by a two-pointer by Maxwell, the Purple and Gold guard.

Catholic started to freeze the ball at this juncture, but Kane broke through and grabbed the ball in a scrimmage and took a shot at the basket, which went through the net.

Quinn also tallied several seconds after, but before another jump-off could be made the referee blew the whistle, ending the game.

Logan and Clifford were the two bright stars in the Purple and Gold victory. Both players tallied four times from the field. Logan made seven out of ten attempts from the fifteen-foot line.

Kane and Quinn starred for the home team with four goals apiece. Shuber, the Main Line forward, made eight out of twelve trips from the penalty mark.

The Catholic High second team also won, but with more ease than the first team. The score of its game with the Villanova Prep reserve was 34 to 16. Schauf starred for the Purple and Gold yardings with nine field goals.

WORLD'S RECORD FOR SOUTHERN H. S.

Basketball Team Plays Entire Game Against Northeast Without a Foul Penalty

SWIMMING SEASON STARTS

By PAUL PREP

SOUTH PHILADELPHIA HIGH SCHOOL made basketball history in its gymnasium at Broad and Jackson streets yesterday afternoon, when it defeated Northeast High in an interscholastic league game, 79 to 30. The team made a world's record when it throughout the entire contest without heaping one personal or technical foul called on any of its players.

The down-towners, who won the Interscholastic League title last week, also established a record for the season. The team, which was coached by Coach Goldblatt, made seven out of eight foul tosses out, scored nine goals from the field, as did Koch.

The down-towners' reserve five also had one easy time. The team outplayed the Northeast second team, 46 to 8. The score at the end of the first half was 27 to 0. Only four fouls were called in the game.

The first team made such a wonderful showing.

St. Luke's Close Win

St. Luke's School, through the brilliant playing of Martinez in the second half, managed to beat Friends' Central in their basketball game on the latter of the week, yesterday afternoon, 29 to 24. "Marty" seemed right at home and garnered twenty points for his team.

The little, dark-haired forward "piped one over" on the Quakers in the first half. Every time he got possession of the ball he tossed it in the general direction of the basket. None of these shots made a goal or anything like that, but just the same they fooled the Blue and Gray. The first half ended with the score 14 to 11 in favor of the Red and Blue.

When the second period opened, no one paid any attention to Martinez. This was just as had been planned by St. Luke's quintet, and the swift forward laid the first goal before the Blue and Gray was awake to the fact that Martinez was out to score he had dropped another into the net.

From then on the game was close. First St. Luke's would go into the lead, then Friends' Central would take the lead. It was nip and tuck throughout.

Martinez went down the floor three times, and on each occasion dropped the ball into the net. He showed wonderful floor work and dazzled with his shooting ability.

The little forward of St. Luke's also stepped at the foul line. He stepped on it on fourteen different occasions and dropped the ball into the net ten times.

Graves, substitute center, played a brilliant game from the floor for

FRIENDS' CENTRAL DROPPING IN FOUR GOALS

He showed exceptionally fine work in passing, and the real star, Central High, Lindsey also played a good brand of ball, but did most of his scoring from the foul line. He tallied eight out of twelve foul goals, and netted a goal from the field.

West Philadelphia High received its second straight setback when it was defeated by Central High in its own gymnasium. The score was 34 to 29. As the result of this loss and the victory of Germantown High over Frankford, a triple tie now exists between West Philadelphia High, Central High and Germantown High for possession of second place in the league.

Bill Murphy, the Mirror forward, who is leading in the league in the race for the individual scoring honors, was the main factor in the Crim and Gray defeat. He added twenty points to the already overwhelming number he has accumulated in the nine games he has participated in this season.

Germantown's victory over the Pioneers was expected, as it defeated West Philadelphia High last week. However, the difference of only five points was a surprise. The final score of the game was 35 to 30.

West Philadelphia Wins in Tank

The opening scholastic swim meet yesterday afternoon resulted in an easy victory for West Philadelphia High. The school, city champion, The Speedway, defeated Northeast High decisively, 46 to 7.

West Philadelphia's relay team ran away with the Archibald. The quartet, Higley, Van Sickle, Cautley and Gray outswam the Red and Black, completed the course in 1:26 4-5. White and Teas swam the best races for Northeast, with a time of 2:25 and 2:30.

Captain Young again showed wonderful form in the fancy dive. He captained the event with ease and Smith, another Speedway, placed second. Paving started in the 220-yard swim which he won.

Tomorrow the Germantown High and Central High swimmers will compete at the Germantown Y. M. C. A. Germantown should have the edge over the Crim and Gold athletes as the Mirrors have been weakened through ineligibility and lack of training facilities.

On the other hand, the Cliveden has a well-balanced team, which should figure well in the interscholastic championship of the city March 10.

Diver Under Ban

Central had a great diver in Masteller, but this youth will be unable to compete because of the faculty ban. Another good swimmer who is also ineligible is Whittinger.

The men who will swim for the Crim and Gold are Captain Carlson, Anderson, McQuillan, Thambouner and Clarke. The relay team will be composed of Carlson, Anderson, Thambouner and McQuillan.

The sprint probably will be divided between Captain Carlson and Thambouner, while McQuillan and Clarke will take care of the dive.

The interscholastic championship of the city will be held at the Germantown Y. M. C. A. and will include 50, 100 and 200 yard dashes, a 200-yard relay and a dive and plunge for distance.

The schedule for the Crim and Gold team is as follows:

January 19—Central at Germantown High.

January 23—Central at Girard College.

February 4—Combined High Schools at Philadelphia Ice Palace.

February 14—Central at Northeast High, N. B. Branch.

February 23—Central at West Philadelphia High.

March 10—Interscholastic meet, Germantown Y. M. C. A.

Russell Stein Undecided on Proposal of California Firm

Washington, Pa., Jan. 18.—Russell F. Stein, retiring captain of the Washington and Jefferson football team, and Walter Camp's selection for All-American tackle, has confirmed a report from California that he had been made a flatterer offer to go into the "movies" in a new college football play that is being planned.
