CONTINUE FIGHT ON ZONING PLAN

Central Section Provisions Ordinance Must Be Changed, Combine Says

BUSINESS MEN O. K. BILL

Combine Councilmen today continued their fight against soning in the cen-tral business district, and led Chair-man Horn, of Council's Zoning Com-

interests here are strongly opposed to The meeting today was the third at

which the Zoning Bill was discussed at the second session, last Wedneyday, Councilman McCoach moved strike out all reference to the area bounded by Vine street. South street and the Delaware and Schuylkill Rivers. The metion was not put, however, because employing of the comever, because a majority of the com-mittee was not present.

Ordinance Indorsed

A letter from the Chestnut Street
Business Association stated that its
board of directors had passed a resolution approving the zoning principle. It
suggested the return of the zoning
ordinance to the special commission
which drafted it.
Councilman Hall, a bitter opponent
of zoning for the business district, said

of zoning for the business district, said the resolution did not represent the sentiment of building owners. home, in charge of the Rev. Dr. Floyd Tomkins, of Holy Trinity Episcopal Church. Interment will be private in West Laurel Hill Cemetery. some of the largest property owners on that shopping thoroughfare favor zoning. At the request of Mr. Ha'l he named four pusiness houses, members of the association, which own Chestnut

street properties.
"If Chestnut street was lined with skyscrapers we would scarcely get a ray of light," Mr. Chapman said, "They will not come tomorrow, but they may come in a few years." He said he believed some happy medium regarding the height of buildings could be worked

out.
Councilman Von Tagen objected to opinions voiced by New York residents regarding the possible value of zoning here. He said this city's problems are different from those of New York.
Webster K. Wetherill, president of the Aldine Trust Company said he believed Chestnut street west of Nineteenth should be continued as a busiteenth should be continued as a business section. Councilman Develin asked if he would like to see garment shops out there, but Mr. Wetherill said he did not care to discuss that phase of the

TALKS ON FATHERS' DUTY Rotarians Hear Retired Minister at

Today's Luncheon Frank Gamel, retired minister, who hay taken a leading part in work amonboys, was the speaker at the Rotary C'ab luncheon today at the Bellevue Stratford. The subject was the rela-

Curiosity, he said, has played a great part in human progress. He advised fathers to answer patiently and care fully questions asked by sons, ever though they may sound foolish. If son are not encouraged to come to their futhers with childish questions, he warned, they will not come later with

YOU'LL marvel at the increase you'lL marvel at the increase in your car's roadshi'ity the instant you take your first ride after it has been Stabilized. Whereas, before, it bucked and bounced like a thing possessed, you'll find that it has settled down and rides practically as evenly, as sl'ently and as amoothly on rough roads as on amooth.
