

ILLNESS PILES HIGH COSTS ON INDUSTRY

Keep Workers Well Rather Than Cure Sick, Labor Commissioner Urges Doctors

CONVENTION OPENS HERE

Expressing the belief that health work in industry is the "legitimate child of safety" and that industrial physicians can best serve the cause by keeping the workers rather than curing disability...

Shows "Foot-Proof Chair"

Dr. Arthur E. Lamson, of the Harvard Medical School, exhibited a chair which he called a "foot-proof chair."

DRY AGENTS KEEP UP QUEST FOR RUM; RAID ONE BOTTLER

Fifteen Search Warrants to Be Served by Squads Today

Prohibition agents, armed with fifteen search warrants covering saloons and bottling places, dashed about the city today and seized large quantities of what they said were wines and whisky.

CLERGY PENSIONS GROW

Church Recognizing Right of Aged Ministers to Support

Pittsburgh, Pa., Feb. 10.—(By A. P.)—The inherent right of clergy to support in old age has been the place of the pitiable plea of poverty and the responses of the Christian churches have been uniformly great.
