DOCTORS OPPOSE N. J. BILL TO SAFEGUARD MARRIAGES

Atlantic City, Feb. 11,-Physicians here placed themselves on record last night as opposed to the bill now before the Legislature requiring that couples applying for a marriage license in this State must present certificates signed by a reputable physician stating that they are not suffering from a communicable disease. This action was taken at the monthly meeting of the Atlantic County Medical Society new at the Chalfonte Hotel last night.
