MURDER EVIDENCE AGAINST FLANNERY

Police Alleged Pittsburgh Club-
man Shot Wife White She
Was in Bed

MATTRESS SILENT WITNESS

Special Dispatch to Evening Public Ledger
Pittsburgh, Feb. 15.—Belief that
James J. Flannery, wealthy under-
taker, deliberately killed his pre-
ventive-four-year-old wife, Catherine
Flannery, was expressed today by the
police investigating the woman's death.
The police theory is that a violent
quarrel had occurred in the Flannery
apartment and that the undertaker shot
his wife to death while she cowered be-
neath the covers of the bed in which
she and her two small children had
been sleeping. The officials declare
their investigations will disprove Flannery's
contention that he shot his wife in
mistake for a burglar, early Monday
morning after returning home from
the Elks' clubhouse.
The mattress of the bed upon which
Mrs. Flannery and children had been
lying is expected to prove one of the
most striking silent witnesses against
Flannery. The bullet which killed Mrs.
Flannery is said to have passed com-
pletely through the mattress and to
have been found on the floor beneath
the bed. A blood clot is said to mark
the place on the mattress where the
bullet passed into it.
A house dress of Mrs. Flannery's,
torn almost to shreds, was found on the
floor of the bedroom where the shooting
occurred and, according to the police,
strengthens the theory that a violent
quarrel preceded the shooting.
The mark of a shoe on another
article of apparel belonging to Mrs.
Flannery also is considered significant.
Police say that the children of Mrs.
Flannery told them of the quarrel. It
is said that the children told the police
that their father told them after the
shooting that he supposed he had seen
a burglar.
Bedclothing said to have been powder-
marked, the mattress and the torn dress
and other garments of Mrs. Flannery
were impounded today by Coroner Mc-
Gregor and will be introduced at the
inquest next Tuesday. The children
are expected to testify at the inquest.
An examination of an inner garment
worn by Mrs. Flannery when she was
shot disclosed part of the garment
where it was penetrated by the bullet
is torn away, and the fabric is missing.
This garment, together with the purple
blouses worn by Mrs. Flannery, is in
the custody of Coroner McGregor. The
autopsy revealed that at the point of
entrance of the bullet a bluish ring was
around the bullet hole, and that Mrs.
Flannery has a discoloration over the
bridge of her nose and abrasion on the
right wrist.
Funeral services were held today for
Mrs. Flannery in St. Stephen's Catholic
Church in Hazelwood.
Flannery, who is in jail charged with
murder, did not attend the funeral
service. No effort was made to obtain
his release from jail.

AMERICAN RANCHER KILLED IN MEXICO

Manager of Monterey Cattle
Farm Shot by Unidenti-
fied Persons

THREE MEXICANS SLAIN

By the Associated Press
Washington, Feb. 15.—Charles Bur-
row, also known as Charles Miller,
American manager of a ranch near the
city of Monterey, Mex., was shot to
death by unidentified persons on Febru-
ary 1. The State Department was ad-
vised today in a dispatch from American
Consul Bowman, at Monterey.
Three men were killed in a series of
connected shootings at Puebla yesterday,
the affair arising out of the bitterness
existing between the State Government
and independent political factions.
Antonio Moro, independent deputy,
was shot and wounded by Tranquilino
Alonso, a Government adherent, after
a dispute in the main plaza of the city
led to the election of a new Board of
Directors of the Chamber of Deputies,
set for today.
Moro's brother, hearing of the affair,
sought out Alonso and shot and killed
him. Arturo Camarillo, inspector of
police, learned of the shootings and led
a squad to the residence of the Moro
brothers. When the police attempted to
enter another altercation arose, shots
were exchanged, and the Moro brothers
were both killed.
Raids were made on residences of
other independent deputies, but there
were no further casualties.
Friction between the State Govern-
ment, headed by Governor Sanchez, and
the independent factions has existed for
some time. The Governor on several
occasions threatened forcibly to ad-
journ the chamber unless an agreement
was reached.

LOCOMOBILE AUTO PLANT CONTINUES IN OPERATION

Production Not to Be Interrupted
by Receivership
Bridgeport, Conn., Feb. 15.—(By A. P.)—
Operation of the plant of the Lo-
comobile Company here, despite the re-
ceivership, will continue without inter-
ruption, it was stated by the manage-
ment today. So far as internal affairs
of the company are concerned, it was
further stated, there will be no distur-
bance in the routine of the business.
This is due largely to appointment of
men within the organization to the po-
sitions of receivers in the various Fed-
eral districts.
The Locomobile Company operates
branches in New York, Boston, Phila-
delphia, Chicago, Los Angeles and San
Francisco. Ancillary receivers have
been instituted in each Federal district
where its properties exist. Those who
have qualified are: C. V. Amour, at
Boston; W. S. Horner, at Philadelphia;
C. A. Kingsley, at San Francisco, and
T. E. Swayne, at Los Angeles.

LET LEVIATHAN CONTRACT

Newport News Company to Recon-
dition Giant Liner
Washington, Feb. 15.—(By A. P.)—
The contract for reconditioning the
giant liner Leviathan was formally awarded
by the Shipping Board today to the
Newport News Shipbuilding and Dry-
dock Company.
The Boston Navy Yard, while losing
the contract for the reconditioning of
the liner, a portion of the win-up,
as when the contractors first bid, part
the Leviathan will be taken to the Bos-
ton Navy Yard, where she will have her
hull painted. The cost of this will
be \$1,000,000, which is included in the
total cost of \$8,200,000.
Under the contract the Newport
News company undertakes to recondi-
tion and convert the Leviathan into an
all burner for \$8,100,000.
Giannel Brothers were awarded the
contract for stewards' equipment and
interior furnishing for \$571,000. To-
gether with insurance and other costs,
such as supervision of the recondition-
ing, the total cost to the Shipping
Board will be \$8,200,000.

WOMEN AS BOOTLEGGERS

Plying Their Trade in Massachu-
setts Town—One Caught
Peabody, Mass., Feb. 15.—(By A. P.)—
Women bootleggers are plying
their trade here, using moonshine con-
tainers made for wear under their
skirts, chief of Police Grady said
today. He had shown in court a copper
tank, constructed like a baseball catch-
er's chest protector, in connection with
his report of a raid on the home of Mrs.
Annie Shanaway. The container and
a still were seized. Mrs. Shanaway
was fined \$50 today for keeping liquor
for sale.
Chief Grady explained that if an or-
der for moonshine was received, the
container, which holds a gallon, was
filled and strapped to the body of the
bootlegger, who was able to go into the
streets with it without detection.

SHACKLETON'S LAST VOYAGE

Explorer's Body Starts on Journey
to Island of South Georgia
Montevideo, Feb. 15.—(By A. P.)—
Funeral guns boomed in Montevideo to-
day as the body of Sir Ernest Shackle-
ton, noted British explorer, was carried
aboard the British steamer Woodville,
which will take the dead explorer on his
last voyage into Antarctic seas.
Salutes again were fired as the ship,
with the Falcon Jack flying at half-
mast, shortly after noon passed into
the harbor, where she will remain until
tomorrow before starting on the ten-
day voyage to the island of South
Georgia, where the explorer died on
January 7 and where, in accordance
with the wishes of Lady Shackleton, his
body will be buried.

PRISONER'S 1500 NEIGHBORS PLEAD FOR HIS FREEDOM

Petition Sent to Pardon Board.
Murderer to Be Liberated
Harrisburg, Feb. 15.—(By A. P.)—
The fact that 1500 neighbors of D. M.
Knittle, of Kutztown, serving a sentence
of a year following conviction of run-
ning down and killing a man with his
automobile and failing to stop and see
what had happened, had joined in a
petition for his freedom, and that hun-
dreds of them had sent Christmas post-
cards to him in the Eastern Peniten-
tiary, came out during a plea for a
pardon for him before the State Board
of Pardons today.

Knittle was sentenced in December
and his counsel claimed he did not cause
the death, asserting that the damage
to the front of his car was due to an
accident in entering the garage. Letters
opposing the pardon were sent by the
Berks County District Attorney.
The members of the board announced
pardon on the matter at the Western Pen-
itentiary last summer. The board or-
dered petitions filed on its own motion
and considered the applications on the
papers without any statement.
The case of Floyd Smith, Bradford
County murderer, was withdrawn and
that of John Shurilla, Fayette County,
was continued. Both were first-degree
cases.
Owing to delays in trains a number of
attorneys did not arrive and the mem-
bers of the board had to take a recess.
