

LEGION POST TO AID NEEDY COMRADES
Men Who Cannot Pay Dues Will Not Be Deprived of Benefits of Organization
MEMBERSHIP DRIVE ON

Members of the George H. Imhof Post, 153, American Legion, are listing former service men of the community who, because of lack of employment, have been dropped from the ranks because they cannot pay the membership dues, and will invite them to many of the activities of the organization.

The past members are endeavoring to find every former service man in their neighborhood who is not employed in a move to see that their families are cared for and to find the men work.

The next meeting of the post, when relief measures will be discussed, will be held February 25, at the P. O. S. of A. Hall, Dauphin street, east of Twenty-ninth.

The membership of the Robert J. Martin, 20, has increased 20 per cent since the first of the year. At the meeting last Thursday, nine members were admitted, and a number are still awaiting the investigation committee's report. Prizes are to be awarded to the members securing ten members or more.

The post has arranged an elaborate program for a Washington Birthday party to which all former service men and their friends are being invited. The post hall is at 8205-07 North Boudinot street.

The William F. Roach Post, 21, has appointed a committee to consider the possibilities of renting or purchasing a new post home. Reports will be made at the meeting of the organization to be held at the Paschalville Free Library, Seventeenth street and Woodland avenue, February 28. The post has passed the 100 mark in membership, and conditions are said to look favorable to doubling the membership this year.

Frankford Post, 211, will hold its meeting next Tuesday, at 4521 Paul street, the post home, which has just been improved. A musicale and dance held in Assembly Hall, January 27, under the auspices of Mrs. Clarence Wilhelm, netted the post \$135.

The Women's Auxiliary of Shubin-Buehbaum Post, 95, is arranging a benefit for the entire week of March 6, the proceeds to go for a new post flag and post entertainment. This post also has made application for the permanent use of eight rifles to be used at military funerals and parades.

LITTLE BENNY'S NOTE BOOK
By Lee Pape

I was going down town with ma Saturday afternoon, and we was wawking to the trolley car and Puds Sinkines mother Mrs. Sinkines went past saying, How do you do, Mrs. Potts, my gray-shis but arent you getting plump.

Meaning fat, and we kepp on wawking, ma saying, Wat nonsents, that woman hasent got the sents she was born with and never had, plump, wy she dont know wat she's tawking about, I always stay ixactly the same weight. I never did like that Mrs. Sinkines euy-how.

Maybe you jest look as if you was getting plump, ma, I sed.

No, I dont even look that war, thats low mntch you know, sed ma.

Wich pritty soon Skinny Martins mother, Mrs Martin went past saying,

JEFFERSON INDORSES FISHER
Republicans of County Urge Him to Be Candidate for Governor
PUNNSUTAWNEY, Pa., Feb. 17.—Following the initiative of Indiana County Republicans, representative Republicans of Jefferson County met here last night and added their approval of Mr. Fisher's probable candidacy for Governor to those of their neighbors.

In the auditorium of the Community House representatives of every borough and township in the county, leading members of heretofore widely separated factions of the Republican Party, cheered lustily as a resolution calling upon Mr. Fisher to submit his name to the voters of the State was presented by T. B. Mitchell and passed unanimously.

Four to One Odds Against You

The chances are four to one you will contract Pycorrhoea after you pass the age of forty unless you take proper precautions.

Thousands younger also suffer from this unpleasant disorder of the mouth and gums. Pycorrhoea starts with tender, bleeding gums. That is the way Nature warns you of your danger. Heed that warning!

If you ignore it, you may pay the penalty by loss of your teeth and serious illness.

Pycorrhoea works fast. It loosens the teeth in their sockets until they fall out or must be pulled. It forms pus pockets at the roots of the teeth and feeds disease germs into the system.

Don't trifle with Pycorrhoea. At the first danger signal, see your dentist and start using Forhan's For the Gums.

Forhan's, if used consistently and used in time, will prevent Pycorrhoea or check its course.

It is the time-tested formula of R. J. Forhan, D. D. S.

Use Forhan's regularly as a dentifrice. It keeps the teeth and gums in a clean, healthy condition and wards off Pycorrhoea.

Don't wait until tomorrow. Four out of five contract Pycorrhoea because they wait too long. 35c and 60c tubes at your druggist's.

"HISTORY REPEATS ITSELF"

A Personal Message TO YOU From Mr. Koshland

In 1905 I made a thorough investigation of the clothing situation in Philadelphia. I saw the necessity of a store WHERE MEN'S GOOD CLOTHING should be sold at low prices. Prior to that time no such store was in existence—the average retail clothier based his selling price on the policy of getting as much as he could for his stock, and it was a case of "caveat emptor"—LET THE BUYER BEWARE.

The result of my investigation was the opening of a Men's Clothing Establishment where only GOOD CLOTHING was sold AT UNHEARD-OF LOW PRICES. My Policy of conducting business in this way fell like a bombshell amid the camps of the "old-time" clothiers. All sorts of predictions were made, but I remained steadfast to my policy of giving the people of Philadelphia REAL BARGAINS. I take pride in having established a NEW STANDARD in men's clothing VALUES.

All this is a matter of history. Since that year I have received the unqualified support of the people of Philadelphia. I "blazed the trail" in putting the retail clothing industry on a basis that had never before been attempted. The "old-timer" tried to follow suit, but the HOUSE OF KOSHLAND was ever the pioneer in giving 100 cents VALUE for every dollar.

- Today I Wish Again to Renew the Following Pledge to the People of Philadelphia
- FIRST—TO SELL ONLY GOOD CLOTHING that I can personally guarantee.
 - SECOND—TO SELL ONLY GENUINE ALL-WOOL garments that I personally test in every detail.
 - THIRD—TO SELL ONLY CLOTHING made by the most reliable manufacturers in the country.
 - FOURTH—TO SELL ONLY CLOTHING which for style and workmanship cannot be surpassed.
 - FIFTH—TO SELL OUR STOCK AT ALL TIMES AT POSITIVELY THE LOWEST POSSIBLE PRICES.

MEN OF PHILADELPHIA—You owe it to yourself in the interests of economy to SEE OUR CLOTHING before finally making your purchase. In spite of anything that may be offered elsewhere in the clothing line, the KOSHLAND STANDARD OF VALUE is the standard by which all men's clothing is judged.

—And now to prove our superiority in VALUE GIVING we will offer 5000 Men's ALL-WOOL SUITS and OVERCOATS
