Week-End Menus Include Many Old-Fashioned Recipes

By MRS. M. A. WILSON

SCHARF AND WESTCOTT, in their history of Philadelphia, state that about November, 1858, the city ouncilors ordered the removal of the ld market sheds, which occupied the middle of High street, and changed the name to Market street. For this street had long been called Market street besuss of the market which occupied the center of it. The market house was transferred to Sixteenth street, where a new building was erected, the butchers forming the Western Market Com-

From Mrs. Ann Poweil, who was seventeen years of age in 1860. I have rereived quite a bit of data concerning the ceived quite a bit of data concerning the marketing conditions of this period. Mrs. Powell, the youngest daughter of a large family, helped her mother with the duties of the home, and she tells of going to market with her mother just before the Lenten period, and how the butchers and farmers made a most attractive display of game, fowl, fish, mests, dressed in the city or nearby, and included beef, veal, mutton, pork, venion, sausages and dishes made by the German and Dunkard housewives from the by-products of the pig. There were Toothsome head cheese, souse, pickled and spiced pigs' feet, which were called petitices, liver pudding, blood puddings and a variety of smoked sausage.
