SIXTEEN FLINGERS IN CAMP

By EDWIN J. POLLOCK Leesburg, Fla., March 1. THE 1922 training season for the THE 1922 training season for the Phillies began officially this morn-ing, when Irving Wilhelm led his charges to the ball park and permitted his pitchers to flap their wings gently. Here and there ambitious athletes anx-ious to stick to the Baker payroll un-corked a few fast once for the personal benefit of the Kaiser, but the smoke brought nothing but displeasure from the boss and they were cautioned to go easy.  go easy.

 for Season
 The early season hops were not seen on the deliveries of Lee Meadows, George Smith and the other veterans, who realize the value of the nitching arm and treat it accordingly. The old-timers lobbed the horsehide up to the receiver so slowly that the stitches could be counted before the sphere nested into the big catcher's mitt.

ing out broadcast."

LEONARD OUT FOR 6 WEEKS

New York, March 2.—Benny Leon-ard, world's lightweight boxing cham-pion, may not be able to enter the ring for at least six weeks because of an injury on the back of his hand, ac-cording to Billy Gibson, the champion's manager, who had tentatively arranged for Leonard to box Charley White, of Chicago, in a title bout here on March 17. Before definitely deciding against permitting Leonard to appear Gibson consented to have the champion submit to another examination by physicians.

Early Morning Weather Prospects at Eagle Pass Are Not So Promising

MACKMEN MAY BE **IDLE ANOTHER DA** 

BUT CONNIE IS OPTIMISTIC

Johnny has been saying that he is ready to meet Chaney again, but so far he has been turning down every legitimate offer made, and challenging Kilbane, a man who has completed all arrangements to leave the country and not a chance of canceling his voyage. "If Dundee were to agree to another match with Chaney, all of which George is entitled to. I feel sure that the public would be glad to read about such a bout instead of the propaganda John is send-ing out broadcast."

Connie says he is thoroughly famil-iar with the weather served at Eagle Pass. He spent five days here last January and is confident that his pres-ent site has it on many other training

camps in the State.

The business meeting, at which the yearly reports will be made and officers elected for the ensuing year, will be held in the Indian room at 7 P. M. fol-lowed by the banquet in the Japanese Room. Fred Walls. Charles H. Simmons and Frank Goddard are the committee in charge of the arrangements.

## The Hardest Ring Battle of Jack Dempsey's Career

WHEN a boxer looks back and tries to select the hardest battle in his career, "said Tommy Walsh, boxing im-presario a nd peppery man-nger, "he will select a scrap which was not held in a ring, or a battle which paid him almost nothing for his services. That is the case with J a c k Dempsey. He who turned down that offer lost a great

That is the task with J a c k Dempsey. He has had many a rough time, but none can com-pare with time, but none can com-pare with is experience in Chicago in the winter of 1917." JACK DEMPSEY JACK DEMPSEY Seated in bis office in Chicago recently listening to the howling blizzard and the fine, hard finkes of snow which bounced off the window pane like particles of sand. "It was a day like this, only worse." resumed Walsh. "I was in this same office, wondering how I could get home when the telephone bell rang. Much when the telephone bell rang. Much

window pane like particles of sand. "It was a day like this, only worse." resumed Walsh. "I was in this same office, wondering how I could get home when the telephone. bell rang. Much to my surprise Jack Kearns was on the other end. I hadn't seen him for a couple of years when his middleweight knocked one of my boys for a goal in Fon Du Lac, Wis.

Scores K. O. in First

"I went to Racine to see the battle. Smith was going good then and looked like a logical opponent for Willard. I never had seen Dempsey in action but "What's the idea?" I asked. "Got he looked good in the gymnasium. another middleweight champ?" Kearns said he was the next champion, "Nothing like that, was the reply. and in a short time I believed so, too.

'I have a white hope and want you to step over to the hotel and have a look.' "Homer put up his hands and started to take things easy, to give the specta

to take things easy, to give the specta-tors a run for their money, but he made a big mistake. Dempsey tore in, swing-ing both arms, and a right connected with Homer's jaw. His knees sagged and a left hook to the head sent him to the floor. He got up, but before he could get set Jack hit him with a right to the body and a left to the jaw and it was all over. "I went over to the Morrison and met Jack Dempsey for the first time. He was known as the Submarine Destroyer then, and was just aching for a fight. This was not because he was ferocious or anything like that, but he had to fight or starve to death.

"An easy fight, you say? Don't fool yourself. It was the hardest fight Dempsey ever had but the hard part came before he got it. He was flat broke, eating only occasionally, and if he hadn't been offered the match there's no telling what would have is still at Hot Springs, Arke, in an effort to wind up negotiations with Babe Ruth. W. S. More, of Rocky Mount, N. C., vice president of the Virginia League for the last three years, has been caused president after a long dealdock of building. The tentative schedule calls for 123 games. no telling what would have happened. That bout placed him on the road to had, with the snow piled ten feet high on the side of the streets and no chance the heavyweight championship of the world. Dempsey says so himself.

"And he received exactly \$150 for his trouble. Rather small purse, but that night it looked as big as a million."

Java! Balm of perfumed breezes, brilliant, profuse flowers, all the wonder of the Orient, intensely blue skies—and the finest tobacco leaf.

Java gives the finest quality tobacco leaf for the La Palina wrapper-which mellows the flavor of its fine Havana filler, bringing out qualities in it never before dreamt of. The blend of these two offers every smoker a new sensation, a rare relish and a different delight.

The Java leaf used for La Palinas is the most costly wrapper known.

A trial-well worth while!
