UNITARIAN LAYMEN'S BODY HOLDS 1ST MASS-MEETING

Fundamental Principles of Church Are Outlined

The first mass meeting of the Laymen's League of the Unitarian Church was held last night in the Colonial Theatre, Germantown. This was the first of a series of four meetings at which the fundamental principles of the Unitarian Church will be explained.

The subject discussed last night was "Three Great Principles of Faith—Catholic, Protestant and Liberal." Rev. Dr. William Lawrence Sullivan, of New York, interpreted the foundations on which Catholicism and Protestantism rest, and said: "Let us give homage, respect and reverence to the good these faiths have accomplished. Let us give unmeasured admiration to the martyrs, saints and missionaries of these faiths. All organizations have their faults. We must respect them for what they do and not judge them by their mistakes."

"Where the Catholic Church is based on the infallibility of its authority and the Protestant Church on a limited individual interpretation, the Unitarian Church, or Liberal Church, rests only on man's conscience. He is asked to believe nothing that contradicts his own conscience and to accept as the final standard of judgment."

Rev. Dr. W. B. Greenway TO BE INSTALLED TONIGHT

The charge to the pastor will be given by the Rev. John Grant Newman, of the Chambers-Wylie Presbyterian Church, and the Rev. Robert Little, of the Third Presbyterian Church. Dr. Greenway will give the charge to the people. The installation prayer will be made by the Rev. Dr. Samuel McKelvey, and the invocation prayer by the Rev. J. Ramsey Swain. Benediction will be pronounced by the new pastor.

Dr. Greenway held his first service yesterday, and received eighty new members in the church. He was for nine years pastor of Gaston Presbyterian Church, at Eleventh street and Lehigh avenue.

CAFE CASES UP THIS WEEK

Evidence Being Prepared for Hearings as Result of Raids

Hearings in the cases of proprietors of cafes raided Saturday by prohibition authorities will be held early this week. It was announced by Federal officials yesterday.

Evidence seized by the raiders at the Cafe Louis, 127 South Twelfth street, and at "McLean's" Cafe, Sixty-second and Walnut streets, is being prepared for presentation at the hearings. No arrests of patrons were made in the raids, the occupants of the cafes having fled hastily to the streets when the raid agents swooped down.

These raids followed threats made by prohibition authorities last week that "smart cafes" in and about the city would be closed down.

No action will be taken here in the Fleischmann Company case until orders are received from Washington, it was announced.

ONLY MISSED 6 PENN GAMES

The Rev. J. J. Moore Holds Record as Football Spectator Since 1884

The unusual record of having missed only six University of Pennsylvania football games since 1884 is held by the Rev. J. J. Joyce Moore, rector of St. Andrew's P. E. Church, Eighth street near Spruce.

Mr. Moore has never lost his keen interest in athletics since graduation in 1870. In his freshman year the University was moved from Ninth and Market streets to its present site.

During his undergraduate days Mr. Moore took part in the 100-yard dash, broad jump, hurdle race and other running events. He held down an end fielder's post on the class baseball team in his junior and senior years.

BALL WILL ASSIST ITALIAN HOSPITAL

Members of Stella d'Italia Have Made Extensive Plans for April 19.

\$35,000 FUND IS NEEDED

Leaders in the Stella d'Italia, an organization made up of women of Italian birth or parentage, have decided to give the entire proceeds of their twenty-fifth annual charity ball to a fund for the equipment of the new Italian hospital at 1805-1807 South Broad street. This affair will be held in Moose Hall, Broad and Master streets, April 19.

Prominent among the women who are preparing for the ball are Mrs. Catherine Laury, president of the Stella d'Italia, and Mrs. Victoria Palsetta, Mrs. Jennie Malatesta, Mrs. Mary M. Campini, Mrs. Julia Caderoni, Mrs. Madeline Latour and Miss Teresa Botti.

Two four-story brick buildings will be remodeled for the hospital. These structures have been purchased and paid for and the fund which is now being raised is to pay for equipment.

About \$35,000 has been raised for the hospital, with the aid of the 200 Italian societies and organizations in Philadelphia, which have given dances, dinners and other entertainments in their efforts to help along the project. This money has been expended in the purchase of the buildings. About \$15,000 additional will be needed.

The hospital will supplement the work of the other hospitals in caring for the sick and injured among Philadelphia's colony of about 250,000 Italians.

AIREDALE'S FUNERAL JOLTED WHEN DOG TURNS UP ALIVE

Double of Collingdale Family's Pet Gets Unintentional Burial

It's a wise dog that can see his own funeral. Barney, an Airedale of Collingdale, had that somewhat rare opportunity.

Barney is a special pet in the household of Howard W. Reading. He gets the mail from the postoffice, runs errands and sees that all suspicious characters keep their distance.

Word was received yesterday that the dog had been run over and killed by an automobile. The dog's body was tenderly picked up and carried to a plot in the rear of the house and lowered into a little grave while children stood about and wept.

And then the ceremonies received a jolt, for Barney came running up to see what it was all about.

The unknown double of Barney was buried just the same—without further ceremony.
