DR. WALTER FRANKLIN PRINCE

Above is shown the former home of Alexander MacDonald, in a remote spot in Antigonish County, Nova Scotia, from which MacDonald and his family were driven by weird happenings which they ascribed to supernatural causes. Dr. Prince, shown below, a member of the American Institute for Scientific Research, set out from Halifax for the scene today with a full ghost-baiting equipment, in an effort to

Dr. Prince Sets Out Today From Halifax for "Haunted" Farmhouse

EQUIPPED FOR LONG STAY

Halifax, N. S., March 6 .- The Antigonish spook hunt will commence today when the expedition, headed by Dr. Walter Franklin Prince, eminent New York psychologist, will set out for the isolated village of Caledonia Mills. They will travel by train to Antigonish, 150 miles, thence by sleighs over the twenty-five miles of country road to the MacDonald homestead, on the bor-der between Antigonish and Guysboro Counties. They will transport a supply

Counties. They will transport a supply of provisions and furniture by team from Antigonish and go prepared to stay until the mystery is solved.

Dr. Prince will have a bed to sleep on. That was one of his stipulations. "I am not afraid of ghosts," he said, "but I am afraid of cold and discomfort. When I was a boy in the State of Maine," he continued, "I froze my feet one day when my father said water wouldn't freeze. I must have a warm bed."

New York, March 6 .- Nova Scotia is

one of the world's richest areas in ghosts, but also one of the richest in fakers and humorists who have produced famous spiritualist hoaxes in the past according to Dr. Hereward Carrington

which makes a lot of noise.

He doubted, however, whether the set taken along by Dr. W. F. Prince to snare the ghost would interest an intellectual and ingenious visitant, as the McDonald farm ghost seems to be. The chief pleasure of this haunt is reported to be arson, thirty-eight fires in one night being its record.

May Be Human Emanations supposing that this ghost is genuine, though the reported manifestations are extremely interesting," said Dr. Carrington. "I believe that it is either a hoak by local practical jokers, or an effect produced unconsciously by the escaping energy of the human bodies of those present. This energy will sometimes act in a strange way. It is not impossible for it to cause matches to become automatically lighted and to fly through the act.

and barn-burning spirit of McDonald farm might possibly be the same one which nearly half a century ago made its headquarters at Amberst, Nova Waukegan, Ill., March 6.—(By A. its hee .)—Impaneling of the Grand Jury and Scotia.

A panel of fifty talesmen was on hand, the art of registering weak and faint it is the first time in Illinois' history ghosts, whose manifestations would gnosts, whose maintestations would otherwise be absent from the sum of human knowledge. This is the amplifier, or loud-speaking telephone, through which President Harding and others occasionally address the nation. that a Governor is to go on trial during

DR. ROY NORMAL NOW, SAYS FATHER

But Dentist Cannot Recall What Happened During Year He Was Thought Dead

MAY NEVER SOLVE MYSTERY

New York, March 6 .- Dr. Harold E. Roy, former Swarthmore student, who came to life in Kanssa City, Mo., after friends and relatives believed him dead for the last year, is still unable to trace his movements since his disappearance in March of 1921.

His mind has not reached back into the period of darkness which followed a supposed accident which occurred while he was canoeing on the Hudson River. last applies.

while he was canceing on the Hudson River, last spring.

"It is my belief that we will never know what happened in that year," said his father. Dr. Frank A. Roy, a New York dentist, with offices at 527 Fifth avenue, today.

The last seen of Dr. Roy was as his cance passed behind a tramp steamer that was about to anchor in the river opposite Dykeman street. The ship sailed the next day for Mexico, but subsequent investigation has disclosed that sequent investigation has disclosed that no one on board remembered seeing the

canocist.

"I want my son to stay in Los Angeles until he has fully recuperated," continued his father. "His protograph shows that the experience has left its imprint upon him, although I can tell by his letters that his mind is quite normal."

Elect word of his can below a left. First word of his son being alive

Eirst word of his son being alive came in a telegram January 28, from Kansas City.

"After a year of fruitless search I could not believe it," said Dr. Roy, senior. "It was the letter that came the Wednesday following that contributed me that some one was that on the stage for a short time."

The father showed signs of worry. "I didn't realize the strain until the

news came," he said. "I never could believe that he was dead, although I had given up hope. The night after I got that letter I went out to a movie and that was the first night out in a year." Dr. Roy expects tistry again during his stay in Los
