LARGEST OLD BOOK STORE IN AMERICA

Visiting among the Books at Leary's
 browsing among our friendly, well-stocked shelves, is a restful, pleasant way to spend a spare hour or two. Take down an old book-friend and re-read a favorite passage; renew your acquaintance with some dimly remembered childhood tale; look up that reference which bothered you to quote correctly the other day. If you want to buy a volume or two, the price will be only a fraction of what you would have to pay elsewhere. But you are not urged to buy—Leary's is a friendly place for friendly companionship among man's best friends—good books.

"DANDERINE"

Grows Thick, Heavy Hair
 35-cent Bottle Ends all Dandruff,
 Stops Hair Coming Out

Ten minutes after using Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helping the hair to grow long, strong and luxuriant. One application of Danderine makes thin, lifeless, colorless hair look youthfully bright, lustrous and just twice as abundant.—Adv.
