## 104 WINS FOR PENN FIVES IN 5 YEARS

Rasketball Teams Have Lost Only Seven Games in Quintet of Seasons

HAVE WON 24 THIS YEAR

VICTORY over Princeton Saturday A night will give the University of Pennsylvania basketball team a record that will go down in the books as one of the greatest achievements by a quintet in the bistory of the sport at the University. Bill Grave and his teammates have struggled through one of the longest and hardest fought seasons the court game started, back in

To date the team has scored twentyfour victories to one defeat, and a win Saurday might will give the 1922 team the record of having compiled a greater number of triumphs than any college five in these parts. The usual college feam's schedule seldom calls for more than twenty games. yet this year's team, including the game with the Tigers on Saturday night, will have enin twenty-six games in and out

gaged in twenty-six games in and out of the league.
Incidentally a win over Coach Hill
Zahn's team will be the 105th scored by a proper step in. Penn teams in the last five, years. In that time only seven defeats have been suffered and it is a singular fact that the only feam to reverse Penn this year. Cornell, has scored almost 50 per cent

In 1918, 1921 and this year the Ithacans dented Penn's winning streaks,
Penn State scored a one-point verdict
In 1921. In 1920 the University of
Chicago, in a post-season game played
in the Windy City, was the only team
in twenty-two to hand a walloping to
the Red and Blue. Yale turned the
trick in 1919 and Princeton, in addition
to Cornell, in 1918.

Substitutes the Reason One of the features of the play of Penn this year centers around the sub-situtes. Label Goldblatt won a game

at Princeton with two foul goals. Des-sen has played brilliantly in Rosenast's place since the latter's injury, while Jesse James last Saturday night mate-tially assisted in turning back Dart-mouth, Had it not been for the strength of the bench-warmers Penn would not be leading the Interscholastic League Along with the title of league cham-

pions, which is expected to be won Saturday night, will in all probability come the honor of having the individual point champion. Bill Grave should score enough points Saturday night to give him the post, as he was pressing Tim-mic Cullen, of Dartmouth, last Monmie Cullen, of Dartmouth, last Mon-day, according to the averages, and Cullen has completed his year's play. There is a strong possibility that Emil Rosenast, out of the games since February 1S, when he suffered a broken bone in his wrist at Hanover, may get into the game Saturday night. Itosie removed the bandage from the injured removed the bandage from the injured arm a week ago and has been taking light exercise since then to get it into shape. He expects to engage in the gractice drill tonight and if he shows his old-time form and his wrist stands up under the strain Coach Eddie Mc-Niehol may start him against the Ti-

A crowd second only to the one that immed Weightman Hall the night Chicago played the Red and Blue will be on hand Saturday night. Every ticket for the contest has been sold, ac-

cording to an announcement by Acting Graduate Manager Bushnell.

There will be no public sale because of the limited seating capacity, 1900. After the Princeton contingent, which is expected to be one of the largest in years, received its share of tickets, the remainder will be gobbled up by the season ticket holders and applications made some time ago by graduates and made some time ago by graduates and undergraduates. In the announcement Mr. Bushnell bemoans the fact that Penn doesn't have a basketball seating espacity of 5000, but as yet nothing has been done toward securing a hall to take care suitably of the followers of college basketball in this city. Mullin's Fast Time

Yesterday Robertson held a half-mile Yesterday Robertson held a half-mile trout with seven athletes entered, which was won by McMullen in 1 minute 58 4-5 seconds, exceptional time for the slow, heavy track. Johnny Holden finished second, two yards behind, foilowed by McLane, Kerr, Meredith, Head and Herr, McMullen won the race by a great sprint in the last 200 yards of the race, Holden having held the lead up to that point.

What the race was held for is a matter of mystery, but it is said these. what the race was held for is a mat-ter of mystery, but it is said that a sixth man will be taken to run in France if permission can be secured from the athletic council.

Scraps About Scrappers

Tommy Brown, of the "303" Club, will pair off with Tommy Boyle in one of the burs at the Bilen Theatre tonight. Young Shericek and Battling Abe Cohen meet in the wind-up. The other match is Jimmy Senaon vs. Al Holtzman.

An investigation of two-mile relay records has disclosed the fact that Penn's team in the indoor intercollegiates last Saturday night created a new world's mark of 7 minutes 55 1-5 seconds. The best previous mark on the books of the A. A. U. was 7 minutes 56 3-5 seconds, made by the Irish-American A. C. in 1906 at Buffalo. The best previous intercollegiate record was 7 minutes 57 seconds, made by

OLYMPIC GAMES FOR FRANCE

Gaston Vidal Says They Probably Will Be Held in Paris Paris, March 15.—"The 1924 games will be held in France, never fear. The Government will attend to that," Gaston Vidal. Under Secretary for Physical Education, has informed the Associated Press.
"The humiliation of turning back the international Olympic

games to the International Olympic Committee will be spared us. It is also

Committee will be spared us. It is also quite probable that Paris will be the scene of the Olympics, although the Government has not discouraged the Lyons Committee.

"The Cabinet Council formally expressed its will that the games should not be allowed to leave France. My wish is that they be held in Paris, but if the Municipal Council does not should not be appeared by the Municipal Council does not should be appeared by the Municipal Council does not a proper spirit, then Lyons is ready to

## Repair Charges Fixed at \$25 a Year

For the convenience of owners we have worked out a fixed yearly mechanical repair charge on Auburn cars which is so low we are offering it as a guaranteed price of \$25 paid on delivery of the car. Twenty-two years of manufacturing have so perfected Auburn cars, that we know exactly how much it costs annually on the average to keep them in first-class running order.

The annoyance of varying charges is thus eliminated and possible friction is avoided. Car owners have been waiting for such a service. On delivery of all Model 6-51 Auburn cars, we make the charge of \$25. No matter what mechanical repairs are needed in a year, we make them.

Of course our fixed charge does not include such service as oiling and greasing, which can be done by the owner, or at a local garage or at a nominal charge in our shop. Neither does our guarantee cover work resulting from collisions, accidents or gross neglect.

The only condition we ask is that owners bring in their cars once a month for inspection, for which post card notice is sent in advance.

ONLY AUBURN MECHANICAL EXCELLENCE PERMITS SUCH AN EXCEPTIONAL GUARANTEE
