CONFERENCE IS PROPOSED

By the Associated Press ashington, March 16.—The comwas reintroduced today in the

description of the bill:

First. No new taxation, no issuaccording of new securities is at present
required.

Becond. It provides for the veteran
to need a method of obtaining sid.

m need a method of obtaining aid.
Third. The amounts required each
year after July 1, 1923, are small
compared to those which have heretofore been met, and can be provided
without any difficulty or derangement of our financial situation. ment of our financial situation. Fourth. The plan tends to promote

Fifth. It protects the veteran him-self and his family from misfortune in the future.

Sixth. It will create a class of

home-builders who will greatly in-crease the mass of property in the

Expect Soldiers to Approve

"While perfect unanimity could not be expected as to all details of the bill," the report said, "the majority of the committee believe that the plan in general meets the approval of the sol-diers and of all of those who are in favor of granting to them additional compensation in any form whatever."

nsion of the rules or later under rules. California, a former service men, put into circulation a spetition proposing a before going to Massachusetts, where he will speak Sunday on the Arms Connext Monday night to consider the bonus bill. Under the rule fifty signatures should force a conference and Mr. Lineberger expected to obtain that number.
