An Outspoken and Moving Study of a Deep Sex Problem by the Noted Author of "The Manxman," "The Deemster," "The Eternal City," "The Woman Thou Gavest Me," Etc.

VICTOR STOWELL is handsome, of fine nature, the scion of a family of distinction on the Isla of Man, where his fither is Deemster, or chief Curiously enough, he enters the stage of this powerful romance of a sin and its consequences that makes him

SIR HALL CAINE

the man to sit in sentence on the woman. scho is tried for their mutual transgression, as a voluntary scapegoat to save her good name from the results of a girlish escapade. Bessie Collister, a peasant girl, is crufe, but good-looking in a coarsegrained way. Little does Stowell think, chen he taken the blame of walking out with her outside school hours and school. bounds to save her from her brutal stepfather and to save his chum, who has really been guilty, from punishment, that Bessie's erring, which starts so young, is to affect directly his own happiness and his future great love for beautiful and great hearted Fonella Stanley. The principal of the school asks the boy who had been guilty of this breach of discipline and maybe of morals to rise and confess. Pro-

ing his friend, Alick Gell, Victor is unjustly struck by the principal, who, overing the truth later, remorsefully writes to the Deemster to take his on kome or he himself for shame must resign his principalship. The Bremster, now a dignified old man of sixty, had married an English lady, she died at Victor's birth. He wires to the principal to send the boy home. and here the story continues-

up to it. Then with his white head erect and his strong eyes shining he drove out of the station yard.

It was still early morning and he was in no hurry to return home. For half an hour he passed slowly through the an hour he passed slowly through the principal thoroughfares of the town, bowing to everybody he knew and speaking to many. It was market day and he made for the open space about him, and said: the old church on the quay, where the the farmers themselves, from all parts see you, Good-by!"

of the island, with their carcasses of The Deemster was satisfied. Not a and being sent home to her people. She

about the college trunk behind him.

It was office hours by this time and he began to call on his friends, leaving victor outside to take care of the horse and dogcart. His first call was on the Attorney General. Donald Wattleworth, who had been an old school-fellow of his own at King William's, where forty-old years ago he had saved by the same with the college trunk behind him.

Castletown, but before he left Douglas his time and come from that call was dead and done for.

If was office hours by this time and he began to call on his friends, leaving and patch of garden, which, though suffered much, except from fear of a girl just breaking into womanhood.

The was office hours by this time and he began to call on his friends, leaving side by side, and never and dogcart. His first call was on the speaking except on indifferent subjects, followed the high mountain road, where his hours are than the house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, though house attached, a few farm buildings and a patch of garden, which, the suffered much, except from fear of a girl just breaking into womanhood.

The world will never grow cold on that child, 'people used to say and dogcart. His first call was on the speaking except on indifferent subit to a dashing young Irish captain, who had been an old schoolworth, who had been an old schoolfellow of his own at King William's.

Where forty-odd years ago he had saved him from many troubles.

As mother and daughter came up in the dark roads? Marry strong was doubtin. Rumor actriquies as if it was on the speaking except on indifferent subit to a dashing young Irish captain, who it to a dashing young lish captain, who is peaking except on indifferent subit to a dashing young Irish captain, who is peaking except on indifferent subit to a dashing young Irish captain, who is peaking except on indifferent subit to a dashing young Irish captain, who is peaking except on indifferent subit to a dashing young Irish captain, who is peaking except on indifferent subit to a dashing young Irish captain, who is peaking except on indifferent subit to a dashing you the dark roads? The attorney was now a small, dap-NEXT day the Deemster drove to Douglas to meet his son coming back. The weather was cold; he had to back. The weather was cold; he had to oftenest seen in a good old woman. For have home in the gray of morning, and a quarter of an hour the Deemster be was driving in an open dogcart, but talked with him on general subjects, his the December knew what he was doing, courts and forthcoming cases, without Ten minutes before the train came saying a word about the business which

made for the open space about him, and said: farmers' wives were standing in rows remember my girl. Fenella? Yes? Castl with their baskets of butter and eggs, the farmers' sons with their tipped-up carts of vegetables, and the smaller of days—and then I must bring her over to her.

very different homecoming. In a corner lons. an open third-class carriage of the Castletown there was a little servant girl with a servant's rin box, tied about with a cord, on the sent beside her. This was Bessie Collister, dis-

should win him Liza Corteen had both won and lost, for as soon as his ship was ready for sea he had disappeared, and never afterward been heard of.

Liza's baby had been born the following spring, and two years later Dan had not much cause to be proud of his soon as the train had gone on. had not much cause to be proud of his own pedigree, had made a great virtue of marrying her, child and all, being, as he said, on "conjergal" subjects a light specific property of the south was in tears again by that light specific property in the station that was her destination and she saw her mother, a whip had fallen on her face, and Dan turned back to the girl. "So you're a fine lady that belaves in the aristocracks, are you? Well, I'm a plain man that doesn't, and nobody living in my house can have any truck with them."

Sakes alive, girl, what have thou body living in my house can have any truck with them."

But Bessie was in tears again by that the station that was her awing had fallen on her face, and Dan turned back to the girl.

"So you're a fine lady that belaves in the aristocracks, are you? Well, I'm a plain man that doesn't, and nobody living in my house can have any truck with them."

But goodness me, Dan, the boy is not a dale older than herself," said Mrs. Collister. "Nineteer read that the station that was her awing the graveled courtyard in front of it. I'm a whip had fallen on her face, and Dan turned back to the girl.

"So you're a fine lady that belaves in the aristocracks. are you? Well, I'm a plain man that doesn't, and nobody living in my house can have any truck with them."

But Bessie was in tears again by that the station that was her awing the process of the graveled courtyard in front of it. I'm a whip had fallen on her face, and Dan turned back to the girl.

"But goodness me, Dan, the boy is not a dale older than herself," said Mrs. Collister. The big man was down the process in which the graveled courtyard in front of it. I'm a whip had fallen on her face, and Dan turned back to the girl.

"But

In the fourteen years that followed the wheel to the plank seat across it train that brought Victor Stowell from Liza had learned the liberality of Dan's and turned their horse's head toward views on marriage and Bessie the home. had been broken by the reproaches about her "by-child," which had usually pre- a thatched and whitewashed dwelling them, and then treading on them like her "by-child," which had usually pre-ceded her husband's night-long nasal house attached, a few farm buildings

ng whether to laugh or cry over him.

Own pedigree, had made a great virtue of marrying her, child and all, being, as he said, on "conjergal," subjects a man of liberal views and strong opin-

ows with their baskets of butter and eggs on their broad knees and their faces resplendent from much soap. Facing these was a tough and rough old sinner who bantered them, in language more proper to the stud and the farmthe necessity of beginning on fresh ones.

across the platform to the Ramsey train. The north-going traffic was light at that hour, and sitting in an empty compart-ment she had time to think of home and what might happen when she got there. This was a vision of Dan Baldromma

threatening, her mother pleading, her-self screaming and all the hurly-burly she had heard so often.

But even that did not altogether frighten her now, for she had one source of solace which she had never had before. She was wearing a big hat with large red roses, a straw-colored frock and openwork stockings, with shoes that were much too thin for the oncoming winter. And looking down at these last and remembering she had bought them out of her wages, expressly for that walk with Alick Gell, she thought of something that was immeasurably

tingling with the memory of it, and child itself, man.' telling herself how good she had been "Maybe so, but not to say who her boy was when the 'big ones' questioned her, and how she would never tell that, 'deed no, never, no matter what might happen bred in the bone comes out in the fiesh,' to other people, when the train drew they're saying."
up suddenly at the station that was her The woman flinched as if the lash of

"Hadn't I trouble enough with thy father without this?"

But Bessie was in tears again by that time, so mother and daughter lifted the time box into a tailless market cart that the box into a tailless market cart the box into a tailless market cart that the box into a tailless market cart the box into a tailless market car stood waiting in the road, climbed over

The unvarished gibes provoked loud laughter from the other passengers, and Essie's laugh was loudest of all. This led to the widows looking round in her direction, and presently, in the recovered consciousness of her situation, she beard whispers of "Johnny Qual-beard whispers of "Johnny Qual-beard" and the "Demoster's sen" and the "Demoster's sen and the "Well! Well!" he said. "Back again. I see! And you such a grand woman grown since you were sitting and esting on that seat before. Only sixteen years for spring, yet sooreying (sweet-years for "Well! Well!" he said. "Back again. Dessie's laugh was loudest of all. This led to the widows looking round in her direction, and presently, in the recovered consciousness of her situation, she heard whispers of "Johnny Qualtrough" and the "Dempster's son" and then turned back to her window and cried.

There was no one to help her with her luggage when she had to change at Douglas, so she carried her tin box across the platform to the Ramsey train.

The north-going traffic was light at the control of the big one of the big ones of the big o

Bessie felt as if her bread-and-butter were choking her, but Dan, whose im-pure mind was not satisfied with the

pure mind was not satisfied with the effect of his sarcasm, began to lay out at her with a bludgeon.

"You fool!" he said. "You've been mxing yourself up with bad doings on the road, and now a dacent lad is lying at death's door through you, and the High Bailiff is after flinging you out of his house as unfit for his family—that's it, isn't it?"

it, isn't it?"

Bessie had dropped her head on the table, but Mrs. Coilister's frightened face was gathering a look of courage. "Aisy, man veen, aisy." said the mother. "Take care of thy tongue, Dan." Dan.

"My tongue?" said Dan. "It's my character I have to take care of, woman. more important in her mind than the incident which had led to all the trouble—Alick had kissed her!

She was still thinking of this, and the line with the manner of its and the line with the line wi

"Maybe so, but I've known girls be-

as one to me, said Dan, and this island will be knowing what sort of had learned the liberality of Dan's on marriage and Bessie the of his hand as well as opin-But while the mother's nerves.

But while the mother's nerves about the highroad and back to the glen and the representation of the representation of the plank seat across it. Island will be knowing what sort if the "aristocracy" of the island, the plebcian lay close under his skin. Rumor boy he is before he has done with it.

The young cubs of the "big ones" began early. They treated the daughster of decent men as their fathers mouthed man in his drink. But he was recorded everybody—using them abusing the plebcian lay close under his skin. Rumor said he was subject to paralyzing brain-term of decent men as their fathers.

"But Manx girls are troublesome

"It was a mistake—it wasn't the Dempster's son," said Bessie. "Then who was it?"

There was no reply. "Who was it?"

"No, no, don't go, mother. I'll tell Re" -the beginning of the end any-'You mean the son of the Spaker?'

"Yes. Dan, and then, with another snort, hall

he was driving his market-cart up the 'It' long, straight, shaded lane to the Speak-school.

The Speaker had only just returned from Douglas. There had been a sitting of the Keys that day and he had hurried home to tell his wife an exacting story. It was about the Deemster. The big man was down—going down answay?

It was about the Deemster. The big man was down—going down answay?

Archibald Gell was a burly, fullbearded man of a high complexion. Al- and I couldn't stay when he was gone, though he belonged to what we called "Couldn't you now? And why the "aristocracy" of the island, the couldn't you?" said he was subject to paralyzing brain-storms, and that he could be a foul- was innocent?

His ruling passion was a passion for power, and his fiercest lust was a lust of popularity. The Deemster was his only serious rival in either, and therethem ought to be ducked in the mill pond fore the object of his deep and secret would do for you, girl, after you had been colloquing and jesting and kissing with him in the dark roads? Marry you? Make you the mistress of BallaStooping over the fire in the drawing-

themselves, tipped up their east and went into the kitchen—a bare yet clean and cosy place, with earthen floor, open lingle and a hearth fire, over which a kettle hung by a sooty chain.

But hardly had Bessie taken off her cont and hat and sat down to the cup of tea her mother had made her when the threb of the millwheel ceased, and Dan Baldromma's heavy step came over the cobbled "street" outside to the kitchen door.

He was a stoutly built man, short and gross, with heavy black eyebrows, it hick and threatening lips, a lowering expression, and a loud and growing expression, and a loud and growing thick and threatening lips, a lowering thick and threatening lips, a lowering expression, and a loud and growing behind him, while he feli on her with his back to the fire, and his big hands behind him, while he feli on her with seconding sarcasm.

"Well well!" he said, "Back again,"

"The women heard the Deemster's the Speaker, had not seen him the steady voice saluting the miller as he went by the Speaker, had not seen him the steady voice saluting the miller as he went by the Speaker, had not seen him the steady voice saluting the miller as he went by "Fine day, Mr. Collister."

"Middlin", Dempster." "Middlin", 'said the smoking-room at the Keys he faced back to the girl and said, with a bitter snort:

"So that's your man, is it—driving with the Could have put the Deemster's son "No. Plasn't he been flung out of his college for it—for what came of it. I mane? And isn't the Dempster taking him home in disgrace?"

"The was a mistake—it wasn't the Dempster taking him home in disgrace?"

"It was a mistake—it wasn't the Dempster wasn't the good-natured soul, with the gentle of a short of the number was a fat, easy-going good-natured soul, with the gentle of a short of the miller as he went by the Speaker, had not seen him the miller as he went by "Hillim he could have presented. The Bepaker, had not seen him the miller as he went by "Middlin", said the Speaker, had not seen him the man himself), and the number in the S

good-natured soul, with the gentle eres of a sheep ther unir was a little dis-ordered at the moment, for she had only just awakened from her afternoon

"Who was it?"
"I can't tell you."
"You mean you won't. We'll see about that, though." said Dan, and returning to the fireplace, he took a short, thick leather strap from a nail inside the ingle.

At sight of this the girl got up and began to scream. "Father! Father!

Father!"

Don't father me! Who was it?"

only just awakened from her afternoon sleep, and was still wearing her morning slippers), began to make excused. "But mercy me, Archie," she said, "what does it amount to after all—only a schoolboy squabble?"

'Don't talk nonsense, Bella." said the Speaker. "It may have been a little thing to begin with, but the biggest river that ever plunged into the sea could have been put into a tea-

"Don't father me! Who was it?"
said Dan.

The blood was rising in the mother pallid face. "Collister," she cried, "if thou touch the girl again, I'll wais straight out of thy house."
"Walk, woman! Do as you plaze! But I must know who brought disgrace on my name. Who was it?"
"Don't! Don't!" cried the girl.

The mother stepped to the door. "Collister," she repeated, "for fourteen years, thou's done as thou liked with me, and I've been giving thee lave to do it, but lay another hand on my child "No, no, don't go, mother. I'll tell Be?! — the beginning of the end any-

him." cried the girl. "It was "way." it was Alick Gell." Just then peacocks screamed in the courtyard—they always screamed when visitors were approaching. Mrs. Gell

looked up and the Speaker walked to the window and looked out without seebitter and half triumphant, he tossed ing anybody. But at the next moment the strap on to the table, went out of the drawing-room door was thrust open the house and into the stable. An hour afterward, in his billycock wide eyes and a blank expression, was hat and blue suit of Manx homespun. saying breathlessly: 'It's Alick. He has run away from

Aliek came behind her. er's ivy-covered mansion-house, with Alick came behind her, a pitiful the graveled courtyard in front of it, sight, his college cap in his hand, his face pale, drawn and smudged with sweat, his hair disordered, his clothes covered with dust, and his boots thick

you will tell me something-why? Because Stowell had been expelled.

'He was innocent. "Innocent, was he? Who says he "I do, Sir, because . . it was

It was a sickening moment for the peaker. He gasped as if something Speaker. had smitten him in the mouth, and his burly figure almost staggered.
"You did it " ' what Stowell was expelled for?" he stammered.

# F-F LEMON COLD CREAM—F-F LEMON CLEANSING CREAM

## F-F LEMON MASSAGE CREAM

"I have used 12 different kinds of facial creams, but never found perfect and lasting satisfaction until I used your matchless F-F Lemon Cold, Massage and Cleansing Creams. They are simply wonderful!"

You, too, will find them wonderful. Wonderful to make a fine complexion-wonderful to keep a fine complexion. The clean, sweet fragrance of lemons instead of an artificial perfume—the whitening effect of lemon, plus the softest, smoothest, velvetyiest cream that beauty experts ever mixed for particular women.

The person who said that Beauty was only skin deep, at least paid a tribute to the big part a woman's skin plays in helping make her beautiful. Therefore, help your skin to be beautiful—which is helping yourself to be beautiful. And nothing will help your skin so much as the F-F Lemon products—the Lemon Cold Cream— Lemon Cleansing Cream-Lemon Massage Cream. Then, too, there's an F-F Ointment and an F-F Medicated Soap for skin disorders-efficient and unfailing. Get these wonderful F-F Lemon products at the below mentioned Drug and Department Stores and Beauty Parlors, or mail ten cents to us for a generous sample of any of these matchless Creams. See what a wonderful improvement in your complexion one week's application will make. Four Sizes-50, 65, 85 cents and \$1.25
