Helps to break up colds  
When you feel a cold coming on, put plenty of Sloan's Liniment on your throat, chest and back just before going to bed. It starts warm, tingling circulation that keeps the cold from "settling" and helps break it up, while its healthy vapors soothe and clear the lungs and throat. Don't "rub-don't bandage"—just let it penetrate. All druggists—35c, 70c, \$1.40.

Skin unsightly  
—caused by errors of diet  
A well-known skin specialist says that eruptions are "signal flags of danger" often indicating errors in diet.  
Indeed eruptions are so frequently associated with faulty habits of eating and improper digestion that the first thing to do is to see that our food is right.  
Fresh yeast is a wonderful corrective food for these skin disorders. Fleischmann's yeast is rich in the elements which improve appetite and digestion and which keep the intestines clean of poisons.  
Physicians and hospitals all over the country are recommending Fleischmann's fresh yeast for skin complaints. It gets right at the basic cause of these complaints.  
Eat 2 to 3 cakes of Fleischmann's fresh yeast daily before or between meals to keep your skin healthy. Be sure it's Fleischmann's yeast—the familiar tin-foil package with the yellow label. Place a standing order with your grocer.
