March Is Bound to Go Out A-Roaring, for It Winds Up Two Mighty Decorative

DIVERGE CONTROL OF THE PROPERTY OF THE PROPERT

A Weak Government Is the Worst of All

The advantage to the public must always have the first consideration, to the exclusion of the ruler's private interests.

It is true that the offices are the gift of the people, but the people by and large expect the duties of each of the offices to be administered for the benefit of the City, State and Nation. irrespective of relationships and personal friendships.

A little mocking bird just above my head this sunny morning told me this true tale.

March 30, 1922.

If Easter Is an Outing Day She May Elect to Wear Knickers

And if she does she will have plenty of company, for many young women are coming in for this sort of a costume. One nice thing, there is plenty of variety, knickers with either coat or cape, the three-piece knicker costume, and there are also separate knickers. All are excellently tailored and especially attractive new fashions.

New navy blue tweed knickers and coaf, \$28.50. Other knicker and coat costumes in tweed, \$37.50 to \$47.50. Tweed knickers and cape costumes in orchid, green, tan

Three-piece costumes, knickers, coat and skirt, \$30 and \$58. All are in 14 to 20 year sizes.

The Fitted Toilet Tray Is a Little Case All by Itself

Not exactly new, the fitted traveling cases with toilet trays, but certainly the price is new.

Never have such good cases sold for so little as \$25. And after this small lot is gone it isn't likely they ever will again. We compared the toilet tray with traveling sets and found that alone it is worth nearly \$25.

The case part is the 22-inch size of black long-grain cowhide and has the padded top. It is lined with moire silk and has shirred pockets.

The fitted tray comes out, folds up and locks just as if t were a grown-up case. The toilet articles are imitation ortoise-shell finish.

The Ubiquitous Tweed Coat All Young Women Wear It is altogether a delightful garment this Spring and no

young woman can be blamed for wanting to wear it on many occasions. It will certainly be much worn Easter Sunday.

It may be in a soft tan, or a lovely sky blue. And there are others in rose and blue mixtures, as well as indistinct checks. Almost as many styles are here as colors, both belted and unbelted models. One has only to choose the most

Best of all are the moderate prices, \$35, \$47.50 and \$57.50. 14 to 20 year sizes.

Mural Panels

The Little House has received a small collection of decorative mural panels, painted from old Italian subjects.

Last Day to Order Hardwater Soap at 60c a Dozen

People who have used it will have no other. It lathers delightfully in hard water (or any water). It is a substantial size cake, not given to shrinkage. And it is delicately scented (violet, almond, lemon or verbena). or unscented if you prefer.

Most people are ordering a year's supply. (Main Floor and Down Stairs Store)

Any shape that's popular is among the hats at one of the three prices. Most of the popular shapes are at all the prices.

Sales at Wanamaker's The last day of the Housewares Sale.

The last day of the China and Glassware Sale. Could any day mean more? And, again, could any day be more crowded with genuine. glowing, out-of-the-ordinary opportunities than tomorrow?

Great sales from the very start. And the last day is bound to be greatest of all.

Right Now Housewives Are Making a Last-Minute Check-up to Make Sure They've Gotten All They Need

For after tomorrow, gone will be the opportunity of buying the countless little helps in housekeeping at savings ranging from ten to fifty per cent.

Not for six months can there be such a selection of housewares at less than regular prices. Housewares of a quality apart from all others.

If there's a sewing machine, or a dishpan, or a refrigerator, or kitchen cabinet, or paring knife, or saucepan, or scrub bucket, or dust brush you need, this last day of March is your shopping day.

The China Sale Glows Brighter as the **End Draws Near**

And, as the end of all things, the inevitable clearaway. But it's a different clearaway, this repricing of incomplete dinner sets that's featuring the last days of the China Sale.

All dinner sets with pieces missing are marked less than ever. Some are half as much, some not so much reduced.

It all depends on the number of pieces missing.

But incomplete sets are not all that's left of the China Sale. There's still the greatest selection of china and glassware in

Philadelphia, if not in the country, to choose from at the biggest values in years.
