REAL ESTATE FOR SALE — PENNSYLVANIA—SUBURBAN

Announcement

I think you will agree with me, and others who have purchased, that the new single stone homes being built by Ben. L. Carroll "On the Hill" in the 69th St. Section are the most wonderful homes for the money on the market today.

They have lots 37½x115, which allows ground on all four sides with sun beaming in every room.

They have many outstanding features, such as old-fashioned stone fireplace in living room, 6 windows in dining room, 3 large square bedrooms, each bedroom will take a 9x12 rug; tile bath with built-in tub and shower, hardwood floors, both first and second floors. Some have garages.

West Chester Pike and State Road

Four Squares West of 69th Street Terminal

The location is the highest point in 69th St. Section, overlooking Cobbs Creek golf course and entire city.

Streets are wide, and concrete from curb to curb.

Consider the above facts and that the price is

$9250 *With only $1000 Cash $68 Monthly Necessary*

and I know you will visit sample house.

SPRINGFIELD
THE LEADING SUBURB

TWELVE MINUTES—ONE FARE

From Sixty-ninth Street Terminal of Market Street L on Media Short Line

Springfield has been developed with substantial stone highways and cement sidewalks winding through the rolling hills for over a mile along the westerly side of Media Short Line, which maintains three stone passenger stations within this fast-growing development.

Springfield is designed to meet the requirements of substantial and discriminating purchasers who wish to locate their homes on building sites with ample space for fruit trees and flowers, in a convenient location, free from undesirable encroachments and amid attractive surroundings.

Our building sites range generally from 75 to 100 feet in width by 170 to 200 feet in depth and are priced at from $1500 upward, according to size and location. There are a few especially desirable hill-top locations of exceptional size and commanding extended views; also two well-designed old farm houses, in poor repair, which can be converted into unusually attractive homes at moderate cost. They are surrounded by old shade and fruit trees.

Only a small initial payment is required of purchasers, the balance of the purchase price may be paid in ten equal semi-annual installments, with interest.

Agent is at office opposite Springfield station daily.

Springfield offers exceptional advantages as a place of residence.
