665,000 MEN OUT, SAY MINERS' HEADS

Union Officials Claim Continued Gains, Particularly in Western Pennsylvania Fields

ENDURANCE TEST FORECAST

By the Associated Press

Indianapolis, Ind., April 13.—Con-tinued gains in the non-union coal fields were claimed today by the United Mine Workers of America for the nationwide suspension of work in the coal in-dustry with the union's announcement that 665,000 miners are now participating in the walkout.

Plans for pushing the movement into the non-union fields, particularly Central Pennsylvania, were being considered by union officials, with indications that more organizers may be sent into the coal fields. Formal announcement of any decision was unlikely, for the mion's plan has been to permit its field forces to appear unannounced at

of the second week, the new figures on the number of idle men showed an increase of 65,000 since the opening of the suspension, when the union claimed (000,000 participants. Of this number 25,000 recruits have been added this week, union officials asserting that Pennsylvania,
Except for the developments in the non-union fields, no change has yet

come in the general situation. In was arrested at Broadway and Cham-union circles here, the opinion apparently was that the strike is settling down to a test of endurance and that any changes will occur slowly. New York, April 13, - (By A. P.)+ Efforts of the anthracite miners and operators sub-committee on wage contract negotiations to settle the strike will be temporarily abandoned after today's session to permit members to reurn to their respective districts, it was

announced at union headquarters.
Philip Murray, vice president of the United Mine Workers of America, ex-pects to leave tonight for the national headquarters at Indianapolis for a conference with John L. Lewis, president. Sessions of the sub-committee on wage contract negotiations probably will not be resumed until next Tuesday, he said.

Hazleton, Pa., April 13.—(By A., ...-The 155,000 idle mine workers of the anthracite coal fields today began receiving the last pay they will get un-til the collieries resume. The men ex-pressed faith in the ability of their committee to reach a satisfactory agree-

Trial of Bankrupt Builder Is Resumed With Grilling of His Accuser

LIKELY TO END NEXT WEEK

By a Staff Correspondent

Allentown, Pa., April 13 .- When the rial of Harry A. Butterweck, bankrupt builder and real estate man, was resumed today the grilling of his accuser, Fred H. Sterner, by Asher Seip, Butterweck's counsel, was continued. All day yesterday Sterner was forced Former Russian Official Is of his business dealings with Butter-

> The defense expects to call about forty witnesses. If this is done, it will carry the trial over into next week.
>
> Sterner, formerly treasurer and now vice president of the Trexler Lumber Company, is a hencaman of General Harry C. Trexler, one of the wealth-iest men in the State and a dominating force in this city. It is Ster-ner's charge that Butterweck forged his name to two notes-one for \$3500 and the other for \$4000. The defense declares Butterweck had

power of attorney to sign Sterner's name to the notes and is endeavoring to prove that, although Sterner knew previously that Butterweck had signed his name many times to various docu-ments, this is the first time he has come

orward with a forgery charge.
It is charged by the defense that the accusation of forgery is being made Sterner now in order to avoid italeged to have allowed the accused man to sign his name, the total amount in volved being estimated by many here at about \$800,000. Mr. Seip this morning read to the

jury numerous bonds, mortgages and tain Edwin L. Earle, of St. Paul, a contracts in connection with the defend former officer of a British engineer ant's building operations here, the efcontracts in connection with the defendbeing to show that Sterner was actually Butterweck's business partner. In some of the contracts for building material final payment, it was speci fied, was not to be made until Sterner had inspected and approved the completed job. In other documents it was provided that certain of the bilding operations should be known as the "Fred II. Sterner houses."
