A few of those who have purchased have told us they had been looking over a period of three years and more for a home that stands by itself and open on all four sides that could be purchased within their means and felt that at last they found in these houses just what they wanted.

A visit to our Sample House will convince you that it has many outstanding features, such as all bedrooms will take a 9x12 rug, together with all other modern conveniences that you have desired in a home that you would have planned yourself.
