WORLD IN SHADOW OF "SECOND COMING," CONAN DOYLE SAYS

Threshold of Tremendous Revelation in Spiritual Sense

LL DISPEL DOUBTS OF SPIRITUALISM

Sir Arthur Has Poor Opinion of Psychical Research Societies. Don't Go Far Enough .

TRAVEL IN A CIRCLE

Warns of Fraud and Declares Hypocrites Are Found in Every Faith

Br GEORGE NOX McCAIN New York, April 17 .- The outstanding feature of a half hour's talk with Bir Arthur Conan Doyle, in his suite at the Ambassador Hotel, was a remarkable declaration by him that will ceroke, I am sure, wide discussion in he religious circles of every denomina-

It is the culmination of everything hat this distinguished writer could say in the subject that is uppermost in his

I might designate it as Conan Doyle's

This is what he said: "I believe that we are standing upon the threshold of a great revelation concerning the life beyond. A vast deal has been written and spoken about the becond Coming. I am not so sure that we are not already within the shadow

us on earth and communicate with us, more frequent and impressive as the rears go by. It is probable that the culmination of all this may be demonstrated shortly in some remarkably definite, widespread and cumulative avidence, what we of the fuith already know are facts, of wonderfuithings concerning the world beyond."

The Rev. Joseph A. Bennett, pas-tor of Gethsemane Church, Eighteenth in the past. His chiourage is imposing. It is an illie more charming for that reason. It the more charming for that reason. It tion, but when he talks about the section, but when he talks about the section ond coming of Christ his mind is still working in fiction."

That Doyle and Sir Oliver Lodge may their spiritistic. His entourage is imposing. It is all street and Columbia avenue, said: "I think Conan Doyle is fine in fic-

All his earnings in excess of necessary expenses are to be divided among spiritualist organizations for the propagation of that faith.

Conan Doyle is the kind of a man be considered in the constant of the

motrace of what has been variously de-scribed as English reserve or aloofness. His smile is infectious. His laughter is hearty. Beneath all, though, there is manifest the deep sincerity of a belief in what he has seen and heard and experienced with those "beyond the

with the faith that is in him. lic's had to endure a lot in the past. It hasn't been fashionable to belong to

man, waited to see me and said: one thing in your lecture tonight. All the other speakers that I've ever listened to have said "the spiritualists say so and so," or "they believe so and so," but tonight you, stood before us and said, "We spiritualists think and believe thus and so."" "It was one of the greatest compliments I ever received," said the great novelist.

In the course of our talk the matter of the investigation of spiritualistic phenomena came up. That led to men-tion of the Seybert Commission of the inent physician, for failing to report a

the provisions of the Seybert will can readily draw their own conclusions from the report of that commission, which

Not a Fair Inquiry "A very considerable sum of money

was at stake, involving the endowment a chair in the University," I sup-

ualism did not have anything like a air opportunity in the investigations of the committee. The spiritualist medums used were not of the highest class, even at that time, and the result was not only unsatisfactory but exceedingly unfair."

NAB PAIST JUICE'S KIN

It was suggested that in the present state of psychic experiment and inves-tigation the work of the Seybert Commission would receive a very low mark for efficiency. Some of the mediums the truth of spiritualism were already under suspicion of fraud. Some were suspected of being impostors, and fraud beginning beginning to end, based on the detailed eport of the commission's proceedings. the affair was largely a farce based on This opened scientific procedure.

A. Conan Doyle's Beliefs

the "second coming" is so near we are already in its shadow.

BERLIN RECOGNIZE

Nullify Brest-Litovsk Treaty. Agreement Rude Surprise to Genoa Conference

ALLIED DELEGATES MEET

TO CONSIDER SITUATION By the Associated Press

Genoa, April 17 .- A treaty between Jermany and Russia was signed at tries, George Chicherin for Russis, and Dr. Walter Rathenau for Germany. The treaty nullifies the Brest-Litovsk ons seriously injured at Irvinton, a Treaty, and re-establishes full diplomatte relations on an equality basis. The pact cancels all war claims, as

> The trenty represents the conclusion of negotiations begun many months ago. This action by delegates to the economic conference in meeting independently and negotiating a treaty outside the scope of the conference itself, is pointed to as establishing a striking precedent for the nations who are par-ticipating in the discussion of the Rus-

well as claims arising from the nation-

connection with the mutual renunciation of nationalization of property claims and war claims, the treaty

make more difficult the position of some of the other allies in their attitude toward Russin.

in the invitation. George Chicherin, head of the Russian delegation, has telegraphed to Mon cow for instructions on the proposal
