C. L. McKEEHAN MAY BE NAMED NEW U. S. JUDGE

Name Urged in Congress for Additional Eastern District

Charles L. McKeehan, a Philadelphia lawyer, may be named United States District Court Judge for Eastern Pennsylvania, according to Republican State leaders. For the western half of the State, it is said, Judge John Q. Van Swearingen, of Uniontown, will be named.

President Harding is expected to announce the appointments shortly. In accordance with the Additional Judges Bill recently passed by Congress, the Eastern and Western districts get an additional judge each.

Senator Pepper said today that McKeehan's name had been strongly urged for the place. He said he is quite willing that the selection of the Western judge should be left to Senator Brown. He is said to have selected Judge Van Swearingen.

McKeehan in January was the choice of Governor Sproul for the appointment to the bench of Common Pleas Court No. 1, as the successor to the late Judge Breyer. He declined the place.

Mr. McKeehan, who is a member of the Union League, was leader of the old City Party and was advisory counsel for the Town Meeting Party. He is secretary of the State Board of Law Examiners, an authority on constitutional law and formerly was a professor in the law department of the University of Pennsylvania.

"GHOST" QUITS BUSINESS AS ARMED NURSE APPEARS

White City Park Spook Vanishes When Family is Ousted

A brave nurse armed with a revolver routed the Trenton ghost last night and also its discoverer.

The ghost's conqueror is Mrs. Henrietta Episcopo, owner of the home occupied by Mr. and Mrs. Robert Williams at White City Park.

The Williams family has gone. Mrs. Episcopo is holding the fort alone.

According to the nurse, the ghost in question was a very strenuous spirit. She said that during visits were first announced a gasoline engine, two motor tanks and other articles had disappeared from the place.

Mrs. Episcopo said another family, who occupied the house some time ago, said that a headless man was walking around the house. He ceased calling, however, when Mrs. Episcopo spent a night in the house.

She is a widow and only occupies the house when not out attending cases. Mrs. Episcopo says the Williams were several months in arrears in rent.

LENENT OFFERING \$7133.82

Contribution at Holy Apostles Church Thought to Be Record

The Lenten offering presented yesterday by the Sunday School of the Holy Apostles Episcopal Church in accordance with the old Episcopal custom, is believed to have broken all records for similar offerings in any Sunday school in the United States. From a membership of 100, a total contribution of \$7133.82, which will be turned over to the General Missions of the Church.

It is certain that the total sum for the Holy Apostles' Sunday School surpasses all previous records for the Pennsylvania Diocese, and since the Pennsylvania Diocese always has led the rest of the United States in the amount of its Lenten offerings, officials believe they are justified in including the United States.

Dr. John W. Wood, head of the department of missions of the Episcopal Church, addressed the regular session of the Sunday school yesterday, expressing his appreciation for the magnificent offering.

DEMOCRATS HONOR JEFFERSON'S BIRTH

Commemorate 179th Anniversary of Statesman's Natal Day

CANDIDATES WILL SPEAK

Commemorating the 179th anniversary of the birth of Thomas Jefferson, more than 1000 Democratic men and women will dine tonight in Scottish Rite Hall at 10th and Locust streets.

Candidates endorsed by the Committee of Seventy-two at its sessions in Harrisburg are to be the speakers. Out of the orators is expected to come something in the nature of Democratic principles as they will be enumerated during the campaign. Blazing the trail in this direction will be John A. McSparran, who is without opposition for the gubernatorial nomination.

Democratic harmony in the State has taken on added significance because of the bitter fight in the Republican organization and the struggle for leadership that is being waged simultaneously with the contests for nominations.

Montgomery, Chester, Delaware and Bucks Counties will have large delegations at the Democratic festival. Judge Eugene C. Bonawell, chairman of the Dinner Committee, who will get as toastmaster, stated that the allotment of tickets presaged one of the biggest Democratic meetings in Philadelphia in years.

In addition to hearing from Farmer McSparran, the assembled Democrats will have an opportunity to give the "one over" to Judge Samuel E. Shell, of Stroudsburg, and Colonel Fred Kerr of Clearfield, candidates for the United States Senate; Charles D. McAvoy, of Norristown, candidate for Lieutenant Governor, and Dean A. Marshall Thompson, of Pittsburgh, candidate for Secretary of Internal Affairs.

McSparran, McAvoy and Judge Shell are well known to Democrats in Eastern Pennsylvania, but Colonel Kerr and Mr. Thompson are newcomers to the political field. As a candidate for the Senate in the fall campaign Colonel Kerr, a former soldier, will be pitted against Senator Pepper.

One man was killed and five other persons, including a woman, were injured as a result of Easter affrays in various parts of the city.

Mrs. Dominic Tanafolone, bride of a day, and her husband were shot at their home, 4652 Redmond street, according to the police, by the woman's brother, Luigiana Colanerra. The brother, it is said, became angered on learning of his sister's marriage, and going to her home shot her and her husband.

Colanerra, who lives at 4650 Trenton avenue, was arrested.

Sebastian Aiosi, Ninth and Siegel streets, was stabbed to death by Thomas Sabatini, Ninth and Siegel streets, yesterday afternoon, according to the police.

Held as Drunken Driver

M. Niemerowski, 1541 Rowan street, was fined \$7.50 and held under \$500 bail for court this morning by Magistrate Belcher in the Park and Lehigh avenue station, on the charge of operating an automobile while under the influence of liquor. Motor Traffic Policeman Winterbottom, who made the arrest, testified that he saw Niemerowski's car going north at Broad and Lehigh avenue last night with one of the front shoes wrapped around the axle and the bare rim running on the pavement. He called Niemerowski's attention to it, and the driver got out to examine the tire, found that he was intoxicated and arrested him.

Easter Crowds See Policeboat in Thrilling Rescue on Schuylkill

HALTED 3 FEET FROM BRINK

Two men were saved from going over the Fairmount Dam in the Schuylkill River in a rowboat at 4 o'clock yesterday afternoon, by the crew of the policeboat Rescue. The men are Frank Mordel, twenty-two years old, 918 Dudley street, and John Cooper, twenty-one years old, 1018 McKean street. They had been rowing and lost a

rowlock. Their boat drifted toward the breast of the dam. Try as they might, they could not control it. Frantically waving their arms and shouting for help, the men appealed to the Easter crowds along the bank for assistance.

Throngs stood helpless, watching the struggle. The rowboat drifted toward the west bank where the current is swift. With one oar the men tried to scull away from the dam, but were unskilled in the use of oars. They were being drawn closer and closer to the brink when the policeboat Rescue appeared, coming down the river at full speed.

The Rescue approached close enough for Patrolmen Sankay and Furness to wave their arms and get hold of the rowboat when it was only three feet from the dam.
