HOLLIS DIVORCE HELD ILLEGAL

Church Decree Granted Former Senator Not Recognized by Bulgarian Government
PASTOR'S ACT DISAVOWED

MRS. GRACE B. HOLLIS

By the Associated Press
Sofia, April 19.—The Department of Religion and Education of the Foreign Office has advised the Bulgarian Legation in Washington that the divorce issued to former United States Senator Henry F. Hollis, of New Hampshire, by the pastor of the Unitarian Church at Dubuque is not officially recognized by the Bulgarian state, and possesses no legal force.
The Religion Department denies having given official approval to the divorce papers, and the Government is instituting proceedings against Pastor Topilsky, who granted the divorce.
Dr. Dobshier, professor of canonical law at Sofia University, declares the divorce invalid by virtue of the Bulgarian laws. He points out that Bulgarian religious authorities have not the power to annul a marriage concluded civilly, either at home or abroad, and says that only the civil authority which executed such a marriage can annul it.
The Bulgarian newspapers are printing long articles commenting upon the strangeness of the case. Mr. Hollis is well known here, as he had represented a large American corporation endeavoring to sell the Government excess American war stocks of freight cars.
Paris, April 19.—(By A. P.)—Former Senator Hollis, in an informal statement to the Bulgarian Government's action in declaring his recent divorce illegal, said: "All I care to say now is that I acted upon what I considered sound legal advice, I am confident the divorce will stand."
He added that the divorce documents had been authenticated by the Bulgarian Minister in Rome.
Determined to marry his present bride, who was Miss Anne Wood Hobbs, a life-long friend, despite his wife's opposition, ex-Senator Hollis resided in Bulgaria long enough to become a legal resident. Then he began suit for divorce, publishing a notice in several American newspapers. Mrs. Hollis made no legal move and the marriage was dissolved. Mr. Hollis then went to Rome, where he and Miss Hobbs were married in the American Methodist Church. The register was signed by Richard Washburn Child, United States Ambassador to Italy, and former Senator James D. Phelan, of California.
Mr. Hollis, in June, 1920, filed a bill for divorce in the French courts in Paris, which was dismissed when Mrs. Hollis appeared by counsel. She had been granted a decree of separation in 1915, but declined to be a party to a divorce suit because of her religious beliefs.

REVENUE CHIEFS FORBIDDEN TO MAKE APPOINTMENTS

Denial Made That Order is Aimed at Assistant Secretary Dover
Washington, April 19.—(By A. P.)—Orders to deputy commissioners and heads of divisions of the Internal Revenue Bureau requiring all inquiries or applications for appointment in the bureau to be made through the appointment division were made public today by Commissioner Blair.
The orders, Mr. Blair explained, have been in force for several years and were retained to facilitate a more orderly consideration of appointments. Some bureau officials, however, construed the order as forbidding them to confer with members of Congress or others on the matter of appointments without first obtaining the approval of Commissioner Blair or the appointment division.
Mr. Blair declared that the order did not prevent deputy commissioners or division heads from conferring with members of Congress regarding appointments, nor did it have any application to Assistant Secretary of the Treasury Dover, who has reorganized the customs service, and is understood to have under consideration a number of changes in the Internal Revenue Bureau. Mr. Blair said his order was issued without the approval of Mr. Mellon or Mr. Dore because it was such a routine matter affecting only the internal procedure of the bureau that it did not appear to require higher official authorization.

HEAR NEWARK IN FRISCO

California Home Sets Pick Up Eastern Concert by New Device
San Francisco, April 19.—(By A. P.)—Radiophone concerts from Newark, N. J., and Schenectady, N. Y., today were reported to have been heard in San Francisco homes last night through a repeating device at the Rock Ridge radio station in Oakland.
The Oakland station established connection with the two Eastern points two weeks ago. Henry M. Shaw, in charge of the station, said that last night he "manfolded" the sounds that had traveled about 3000 miles so that they were picked up in the home sets here.

Hupmobile Owners are Loyal

The conspicuous absence of the Hupmobile from the used-car advertising columns simply means that when the Hupmobile owner has occasion to re-purchase, he usually buys another Hupmobile.
Hupmobile owners give sound and ample reason for this pronounced loyalty.
They will tell you the Hupmobile's depreciation is slower and smaller; that its price as a used car is proportionately higher.
The qualities which win their highest regard, however, are the everlasting regularity of performance and service, the consistent economy and efficiency, which have always stamped the Hupmobile an extraordinary motor car value.

FIRST WIFE OF BIGAMIST GAVE RIVAL WEDDING GIFT
Her Consent to Remarriage Fails to Save Man From Jail
Lancaster, Pa., April 19.—Although Wife No. 1 had given George H. Rees, of Christiana, a wedding present when he announced he was about to remarry and had told him on that occasion that she was applying for a divorce, Judge Landis decided in court here yesterday that Rees was guilty of bigamy. The prisoner was sentenced to one year in jail, \$100 fine and costs.
Rees married Marion Boushall, of Poleson, Delaware county, in 1912. Eight years later they separated, and in October, 1921, he wed Ceelia Harkins, Rees telling the license clerk that he had never been married.
Both wives were in court, the second holding a tiny babe in her arms.

Morristown Refuses Conditional Bequest From Theodore N. Vail
New York, April 19.—(By A. P.)—Refusal of the people of Morristown, N. J., to accept the terms of a bequest of the late Theodore N. Vail, was revealed yesterday in an announcement of the forthcoming auction sale of Mr. Vail's library and art collection, which had been conditionally bequeathed to Morristown.
Mr. Vail, who was president of the American Telephone and Telegraph Company, left most of his art collection, part of his library, his white marble home at Morristown and \$250,000 to the municipality, on the condition that its citizens raise a similar sum to add to the endowment of the proposed museum.
In his will, Mr. Vail stipulated that the museum should be controlled by an organization to be formed for that purpose. Apparently this provision acted as a bar to the acceptance of the bequest, the public authorities taking the view that public money should not be appropriated for an institution not controlled by public officials.

SOCIALISTS WIN MILWAUKEE

Party Controls City Council After Two Years of Battling
Milwaukee, April 19.—(By A. P.)—After two years of factional battling, the Socialist Administration today controls the local Common Council. Three independent Aldermen swung their support to Mayor Dan W. Hoan, Socialist, and with the solid party support in the Council, reorganized it last night with the Socialists in control of all committees.
Charged With Forgery
J. John Levy, who said he formerly lived in Philadelphia, was arrested in Bridgeton, N. J., last night on a charge of forgery. It was alleged he gave two forged checks for \$25 each to Samuel Lawson, a grocer. The checks bore the reputed signatures of Thomas Price, a farmer, by whom Levy had been employed.
